Pirate slot machines elements

Each slot theme has its hooks, and when it comes to pirate slot machines, it's all about bonuses with hidden treasures. Let's have a look at what to look for when sailing with the pirates on the reels!

Pick-me Bonuses

Treasure chests are a common symbol in many [slot themes]/(slots/themes) but they fit best into the pirate slots gameplay. Many providers boosted the features with a pick-me bonus where you get to choose a treasure chest to reveal prizes. You can uncover free spins, multipliers, or cash prizes.

Trails of Prizes

Corsairs use maps to plan their plunders, and it's no surprise these maps with mysterious trails lead to bonus games when you play pirate slots. The trails of prizes are usually triggered by bonus symbols and are the key to some of the highest payouts.

BEST PIRATE THEMED ONLINE SLOTS

We've picked out some of our favourite pirate slots and outlined them below, covering some of the standout features, the maximum win potential on offer, and some aspects of the games that we think will be of interest to prospective players. It can be a little bit overwhelming starting out with slot games when you aren't sure what you're looking for from your gameplay experience - so

brew a cuppa, settle into a comfy spot, and read on to find out which pirate slots we think should be on your shortlist.

PIGGY PIRATES

If you're a fan of Red Tiger slots then you're going to be interested in one of their unique games within the pirate theme. In true Red Tiger fashion, the developers have executed a unique twist on what is a relatively common genre in the world of casino games by sending pigs on a pirate-y odyssey - and a villainous wolf is hot on their tails! Will he catch up with them and steal their loot? Not by the hair on their chinny chin chins! Defend the seafaring pigs and spin the reels to be in with the chance of winning over 2,000x your stake! Our favourite feature without a doubt has to be the unlimited free spins casino bonus - trigger this and you'll be spinning through some extra rounds of gameplay absolutely free!

As far as pirate slots go, Piggy Pirates is a fantastic breath of fresh air and stands out against the gritty pirate titles with a bright colour palette and some delightful graphics to boot with mobile optimisation to ensure that players can enjoy playing regardless of the device they're using.

PIRATES PLENTY

Up to 5,000x your stake is on offer in Pirates Plenty, with an abundance of opportunities to uncover multipliers, wilds, and some potentially rewarding free spins. The mysterious treasure reel could be discovered by collecting fragments of the map - this will give you access to a sixth reel on which you can land symbols on to increase the size of your potential payouts. Once it's unlocked, it remains unlocked for all future spins at the current stake - so this is a feature that could have long-lasting effects on the kind of prizes that you'll receive! Keep your eyes on the horizon and set sail for bountiful loot!

PIRATE GOLD SLOT

Arr, me hearties - spin through a swashbuckling voyage across the reels of Pirate Gold and seek out the buried treasure chests filled to the brim with payouts, coins, and jewels. Pragmatic Play's iconic pirate slot is hugely popular with players of all experience levels on account of it being a relatively simplistic game with modern graphics and a lot of bonus features to diversify the gameplay experience. We love the free spins bonus in particular which has the ability to reward you with 10 rounds of gameplay - so keep your eyes peeled for the all-important compass symbol which is needed to trigger the bonus.

DEAD MAN'S TRAIL

Fancy a high volatility online slot game with a big payout? Dead Man's Trail might be the best choice. This slot from Relax Gaming invites you to set sail for treasures up to 50,000x your stake. The sea is rougher than ever but you have the map to get to some lurking treasures. Embark on this adventure together with a team of fearless pirates. Expect to find multipliers, a free spins game, re-spins, mystery chests, and coins with special prizes. The game is action-packed, managing to make you feel like you're on a ship crossing stormy seas. The sound effects are majestic, enriching the gameplay with extra suspense. Will you dare to go aboard the ship on the misty reels?
