Getting

Started Teachers

1. Create a group for your class.

Within your 2 Group you will post

discussion prompts for your students, called Topics, which serve as the stimulus for

your learner's video 2 Responses. 2. Create a 'Join Code'.

Learners will use this code to

access your grid, so try to make it easy 2 to remember. Permissions

When you set up your

Group, you will choose how learners can access by selecting a Group Community 2 Type.

Student Email: choose this option to allow only those with @hwbcymru usernames to

access your Group

You must also add 2 '@hwbmail' to the 'Add school email' section to

ensure all of your learners will be able to access your group

choose 2 this option to

allow only those with usernames to access your Group Student username: Students will

join the Group by 2 using a unique student ID of your choosing, which can be as simple as

2+ letters or numbers

Students will join 2 the Group by using a unique student ID of your

choosing, which can be as simple as 2+ letters or 2 numbers Google Classroom: select this

option, login with your Hwb username and allow access. You can then select a class 2 from

your Google classroom 3. Add Topics

Topics are the stimulus for conversation. Within

your Topic you can include anything you 2 would like your learners to review prior to

recording a video Response, such as videos and links.

4. Share your Group 2 and collect

videos from your learners

Once you have set up your Group and created your first Topic,

share your Group's 2 Join Code with your learners. You can copy/paste a link to your

Group in Google Classroom, Microsoft Teams, or whatever 2 you use to communicate with

your class. That's it! Your class is now ready to go with Flip!

Customising your group

2 or topic settings Click the pencil icon on the group you would like to edit Scroll down

to see the 2 options for notifications, captions and more. Personalise your group with

your own cover image. Click Update group You will now 2 be inside your group details.

Here you can add a co-pilot – invite another teacher to help you moderate your 2 grid by

adding in their Hwb email address. Note, they will need to be signed up as a Flip

educator 2 before they can be a co-pilot in your group. Important

As with every virtual

online learning space, you must always add 2 another education practitioner for

safeguarding purposes.

It is important that the Group owner takes responsibility for

adding and removing other staff 2 members as appropriate. Add a topic within a group Once

inside your group details you will see the option to 2 Add new topic. Choose a topic

title Add instructions, success criteria or general prompts for learners Set the

recording time 2 (15 seconds up to 10 minutes) Toggle the Video moderation switch to On

to ensure videos are hidden from learners 2 until you activate them Optional: add a media

source to support your learners Select More options to attach resources for 2 learners

and to access additional topic settings, such as choosing which video features are

switched on or off for learners, 2 including the option for learners to record video

responses to other learner's videos Choose Create topic Edit a topic Click 2 on the group

containing the topic you would like to edit Click the pencil icon on the topic you

would 2 like to edit. Update your topic settings, including video features. Choose Update

topic. Important: You should ensure Video Moderation is 2 toggled to On. If moderated,

videos will be hidden from learners until you activate them.
