bwin Interactive Entertainment AG, formerly known as Betandwin, is an Austrian online betting brand acquired by Entain PLC. The group operated under international and regional licences in countries like Gibraltar, the Amerindian reserve of Kahnawake (Canada), and Belize; and Germany, Italy, Mexico, Croatia, Austria, France,[2] and the United Kingdom in Europe. Bwin offered sports betting, poker, casino games, and soft and skill games, with most revenue coming from poker and sports betting. bwin had over 20 million registered customers in more than 25 core markets. Competence centres were located in Vienna, Stockholm, and Gibraltar.[3] The company provided services for its subsidiaries such as marketing, finance, and administration, corporate communications, controlling, and IT services. All operational activities were managed by licensed subsidiaries. It was listed on the Vienna Stock Exchange from March 2000 until the company's merger with PartyGaming plc in March 2011, forming Bwin.Party Digital Entertainment. That company was purchased by GVC Holdings in February 2024; GVC continues to use bwin as a brand.

History [ edit ]

Beginning with 12 employees in its founding in 1997, bwin was formerly known as "betandwin" until 2006. The company launched its first online gambling site in 1998, focusing on the growing sports betting market. One of the most important developments in the company's history was the launch of its live betting product, developed in-house, allowing players to place bets on sporting events while the actual event was taking place. The firm's initial public offering at the Austrian Stock Exchange took place in March 2000.

Betandwin acquired Simon Bold (Gibraltar) in June 2001 and changed its name to bwin International Ltd. This relocation to Gibraltar was done to keep up with the company's main competitors, who had already moved to the British Overseas Territory.

At a minimum, withdrawals may take 24 hours

to clear due to all withdrawal requests going through a review process.

It's worth

noting that even though some of the withdrawal methods detailed below can transfer funds immediately, Bwin reviews all withdrawal requests, adding up to 24 hours to the process. However, their terms and conditions suggest this can sometimes take up to two business days.

One of the reasons we encourage you to read our deposits and withdrawal articles is because the methods available for each often vary, which is vital to factor in because of the closed-loop policy.

We touched upon the closed-loop policy in our

deposit article since there is a link between your deposit and withdrawal method. You can read more about the policy and what it means for you in our article on the closed-loop policy .

Make sure you fully understand the offer you chose to use because some have a minimum play requirement before you can withdraw any cash winnings.

Lucky

you! You have funds to withdraw from your Bwin account. Whether you won via one of Bwin's new customer bonus offers or happened to pop online for a quick flutter, it's good to know the Bwin withdrawal process before you get started.

Bank Transfer

Withdraw

a minimum of £10, which will reach your bank in 3 - 5 business days.

Withdrawals by

Bank Transfer take 3-5 banking days, in addition to the Bwin processing times, meaning you could potentially wait up to 7 working days for your funds.

Instant

Banking

Withdraw funds instantly.

Using open banking protocols it is possible to access your funds instantly using instant banking. It is worth remembering the this is in addition to the internal processing times at Bwin, so could take up to working days in some instances.

Debit Card

Withdraw a minimum of £10 from your Bwin account and have funds reach your bank in 3 - 5 days.

Whether you withdraw via Maestro, Visa or

MasterCard Debit Card, the withdrawal time will be 3 - 5 days. This is quite long when you consider that other online betting platforms can instantly transfer funds via Debit Card.

Bwin does not stipulate a maximum withdrawal limit, but it tends to be the case that you should make higher withdrawals (up to £100,000) via Bank Transfer.

Visa Fast

Funds

Funds can reach your bank account in 4 hours, and there's no weekend delay.

Visa

Fast Funds isn't currently available to all Visa Debit Cards, but if it's available to you, it's the fastest way to receive your winnings.

If you used a Visa Debit Card to

add funds to your Bwin account, it would be made available as a withdrawal option. If Fast Funds is available for your card, you'll see a stopwatch symbol next to your card details.

However, Bwin stipulates that some transactions will require additional checks, which may take longer than four hours.

Neteller

Funds can reach your account in

up to 24 hours. Withdraw a minimum of £10, with no stipulated maximum.

Once again, your

Neteller withdrawal can reach your account instantly. However, there's always the catch that Bwin may review the withdrawal request, causing a delay of up to 24 hours.

Although we couldn't find a maximum withdrawal amount specified in Bwin UK terms and conditions, the US site does stipulate a maximum withdrawal of R\$50,000, which is just over £40,000. It's probably best to keep to this maximum and opt for a bank

transfer if you wish to withdraw a higher amount.

#### PayPal

Withdraw a minimum of £10, and funds will be in your account within 24 hours.

As with the other e-wallets, your withdrawn funds can reach your PayPal instantly. However, Bwin always adds the caveat that it could be up to 24 hours.

Bwin does not specify a maximum withdrawal limit, but PayPal do, so you may be limited to withdrawing a maximum of £1500 per transaction, capped at £7500 per month. You'll need to speak to PayPal directly if you want to increase this limit.

#### Paysafecard

Funds are returned to your Paysafecard account in up to 24 hours. Bwin set no maximum withdrawal limit, but there is a minimum withdrawal of £10.

When you withdraw cash to your Paysafecard, it stays in your Paysafecard account and cannot be withdrawn as cash. Instead, you can use it to fund online purchases.

Although Bwin does not specify a maximum withdrawal limit, Paysafecard's website does suggest a \$300 per transaction limit (approx. £240). Hence, it isn't the best option for transferring more significant amounts or if you want to be able to withdraw as cash.

If you used it to fund your winning stake, you'd have to withdraw some of your winnings to your Paysafecard. After that, you'll be able to choose another method.

#### Skrill

Withdraw a minimum of £10, which could instantly be in your account.

It probably doesn't need to be said at this point. However, for clarity, we'll say it. There's no such thing as guaranteed instant transfer with Bwin. Skrill can accept instant transfers, but with the additional Bwin checks, it could take up to 24 hours.

Although Bwin doesn't specify a maximum withdrawal fee, the Skrill website suggests a limit of £12,240 per transfer for UK customers.

#### How to Withdraw Funds

##### Per

the image below, you can access your Bwin account from every screen on Bwin's site.

Accessing your Bwin account and balance for withdrawals

Since we set up our account with Bwin to write this guide, we don't have any funds to withdraw, so we cannot go through all the screens. However, as with the deposit process, you'll be shown all methods available to you.

##### Making a withdrawal from Bwin

Given our experience with the limited depositing methods, not all approved withdrawal methods may be listed in your account. Contacting Bwin should help with that, especially if there's an issue with withdrawing by the method you used to deposit.

In cases where the method you used

to deposit funds isn't available as a withdrawal method, such as Luxon Pay, you'll need Bwin's support to get around the closed-loop policy. This may require additional verification and could incur a transaction fee.

Always Bet Responsibly

You'll see in

the above image that we have a 'Pending Task' to complete on our account. When we investigated it, it took us to a Safer Gambling tool that we could complete to ensure our gaming habits remained safe.

One of the reasons people get addicted to gambling is because of the feeling they get when they win. When you have those winnings sitting in your balance, it's tempting to try your luck again.

You may play the odds again and

win, but it's never a guarantee. You should always bet within your limits, and that includes your winnings. Take the time to think about which account having that money in will benefit you most.

Unaccepted Withdrawal Methods

We've mentioned above that some

methods are approved for depositing funds that aren't listed for withdrawals. That's why it's essential to read our article on depositing funds into your Bwin account so you know what you can expect when it's time to withdraw.

Google Pay - You can deposit

funds via Google Pay, but it isn't an accepted withdrawal method. You must contact Bwin for withdrawal support if you deposited funds via Google Pay.
