Há alguns dias, descidi experimentar as 2 bets bola. Fiquei curioso com as promessas de "chuva de vitórias" e "experiência de apostas única" que vi nas promoções.

O que são as 2 Bets Bola?

As 2 bets bola, basicamente, são as apostas desportivas relacionadas com o futebol. Pode colocar suas fichas no site dimen e tentar prever o vencedor dos jogos ou se um jogo irá para o empate. A minha primeira descoberta foi que há vários tipos diferentes de apostas, como 1X, X2, 1/2, e hipótese dupla.

BitBet are SCAM!

Bitbet used to be loved by online gamblers and affiliates but they recently fell out of favor with all their loyal followers because of greed and theft. They were very successful in their first months of operation, but as soon as they turned into money-grabbing scammers their success quickly went away. I only joined because they had a bonus offer whereby they offered new players a 200% bonus on their first Bitcoin deposit. I signed up, deposited 2 BTC and waited for my bonus to get cleared. I didn't realize what wagering requirements this bonus came with. They were impossible to achieve and I was never able to withdraw any of my winnings made with my initial deposit and bonus. When I wanted to make a withdrawal I was forced to jump through hoops and their customer support response times have slowed down to a crawl. I felt like I was about to be ripped off but didn't know how yet. I realized soon enough that BitBet was employing a stall tactic to keep some Bitcoin in their pool so they can pay everyone out equally. They made up legitimate-sounding excuses and delayed the payouts for most of their players for weeks. I was anxious to get my BTC out but I wasn't able to do it because Bitbet was stalling. I could have invested my money elsewhere and won, but it was just sitting in my account and I had no access to it in the meantime. This is a very clever scam – they hold your Bitcoin hostage and let you look at it without being able to do anything with it. If I knew how much hassle it would be to withdraw my money, I would have never joined! I recommend everyone to stay away from Bitbet.
