Taekwondo is a martial art developed in Korea which debuted at the Olympics at the Seoul 1988 Games.

It's one of the Olympic sports that have mainly been dominated by Asian nations, but recent Games have witnessed exciting shifts and upsets.

The universality of the sport is no longer in question with taekwondo athletes, or taekwondoin, from Cote d'Ivoire to Jordan clinching historic gold medals at Rio 2016, and team Great Britain showing talent is abundant in Europe.

There are several taekwondo styles.

World Taekwondo oversees the Kukkiwon-defined style of taekwondo that is commonly referred to as Olympic taekwondo.

Olympic taekwondo allows the use of a very small number of the total number of techniques.

From the basics to the equipment, here's a rundown of taekwondo rules, scoring and the different belts.

Action at a World Taekwondo championships.

Equipment and facilities Taekwondo is a combat sport between two fighters in the same weight category.

The centre of the competition area is octagonal-shaped and measures 8m in diameter.

Contestants must wear a dobok or a white competition uniform.

Additionally, they must have a trunk protector, head protector and, for male athletes, a groin guard that is worn under the dobok.

The taekwondoin must also be equipped with forearm and shin guards, gloves, sensing socks, and a mouth guard before entering the competition area.

Head protection is usually firmly tucked under left arms when entering into the competition area and is worn when instructed by the referee.

Athletes fully kitted during a taekwondo match.

Belts Taekwondo athletes also tie a coloured belt around their waist.

The colour signifies the competitors' ranks in their sport.

The belts range from white to black belts.

The belt system is divided into 10 grades, or gup, and nine degrees (dan).

Grades start from white for beginners, through to yellow, green, blue, red and the highest is black.

The black-belt holders, who are the most experienced, are further graded as 'dan' from the first

degree up until the ultimate ninth level.

Taekwondo practitioners wearing different-coloured belts

The basic rules - foot and fist The rules of taekwondo as outlined by World Taekwondo require a standing bow to the referee, followed by a bow to the opponent, before matches.

All matches last over three rounds of two minutes each, with a one-minute break between rounds.

Taekwondo athletes bow to each before a match at the Rio 2016 Olympic Games

Taekwondo aptly means 'the way of the foot and fist', to correspond with the blows and kicks that score points.

The objective of each competitor is to score points by landing blows and kicks on their opponent's torso or head or to win by knockout.

Blows must be delivered through a straight punching technique using the knuckle part of a tightly clenched fist.

The kicks that count are those delivered using any part of the foot below the ankle bone.

Scoring Scoring of a valid point or points is determined primarily using the electronic scoring system installed in the head or trunk protectors, known as the Protector and Scoring Systems (PSS).

Points awarded for punching techniques and additional points awarded for turning kicks are scored by judges using manual scoring devices.

The valid points are: One point for a valid punch to the trunk protector

Two Points for a valid kick to the trunk protector

Four points for a valid turning kick to the trunk protector

Three points for a valid kick to the head

Five points for a valid turning kick to the head

One point awarded for every penalty (known as gam-jeom) given against the opponent Taekwondo explained

Penalties and prohibited acts The only penalty in taekwondo is a gam-jeom.

A gam-jeom is declared when an athlete punches to the face, or punches or kicks below the waist.

Also not allowed is attacking an opponent with the knee or the head.

Athletes are penalised if they use their leg to block or kick their opponent's leg to prevent a kicking attack, have their leg in the air for more than three seconds to impede an opponent's potential attacking movements, or if a kick is adjudged to have been aiming for below the waist.

Taekwondoists lose points for crossing the boundary line with both feet, falling to the ground, avoiding or delaying the match, and for pushing or grabbing their opponents.

Falling to the ground is penalised in taekwondo.

Contestants also have to watch out how they deliver their kicks to the trunk PSS, as one can lose a point for attacking with the side or bottom of the foot while the knee is pointed out in clinch position.

Attacking a fallen opponent is also prohibited.

Any misconduct or unsportsmanlike behaviour of the contestant or their coach can cost a point.

Key decisions Golden Point Round [GDP]: For drawn matches, the contestants go for a golden point round.

This is sudden death as the first to score wins.

An athlete can be awarded the match if their opponent picks up two penalties in the golden round. If a match goes to golden point, all scores awarded during the first three rounds are not considered.

Win by superiority [SUP]: If neither of the contestants has scored two points after the golden round, the winner shall be decided by superiority based on the contestant who received a point by a punch in the golden round, or the contestant who got a higher number of hits registered by the PSS during the golden round or the one who won more rounds in first three rounds.

If the athletes were tied on points the one who received fewer penalties during all four rounds wins the match, and if they were tied on penalties the referee and judges shall determine superiority based on the content of the golden round.

Point Gap [PTG]: A win by point gap is when there is a 20-points difference between two athletes at the end of the second round and/or at any time during the final round.

Referee Stops Contest [RSC]: The referee can stop the match if the contestant has been knocked down by an opponent's legitimate technique and cannot continue the match, or to protect a contestant's safety.

The medical commission can also call off a match due to a contestant's injury.

A Referee can stop a contest off if an athlete is injured.

Este mes celebramos lo antiguo y lo nuevo

Hay un informe sobre la exposición de diseño graduado New Designers, donde puede ver las últimas ideas que surgen de las universidades del Reino Unido, pero también un nuevo libro que celebra la mayor concentración de comerciantes de segunda mano del mundo, Les Puces de Paris. Algo para todos.

La prueba de embarazo Kelpure diseñada por Will Falch-Lovesey, graduado de la Universidad de Falmouth.

New Designers es una vitrina de diseño graduado que permite a los estudiantes de universidades británicas presentar sus ideas a expertos de la industria, aunque también está abierta al público en general. Desde su inicio en 1985, más de 3,000 diseñadores han exhibido en el evento, recién recibidos en todo, desde el diseño de muebles hasta la ilustración y los textiles. Además de brindar una plataforma para el talento no descubierto, New Designers también muestra las ideas y tendencias que flotan en la comunidad de diseño. La sostenibilidad y el reciclaje son temas clave en muchos de los trabajos de los estudiantes. Un gran ejemplo es el diseñador de productos sostenibles Will Falch-Lovesey de la Universidad de Falmouth, quien exhibe este año. Está mostrando un producto alternativo al creciente monto de plástico de un solo uso en el cuidado de la salud en los últimos años (hola, pruebas de Covid). Hecho puramente de algas, Kelpure es robusto pero se degradará en el suelo después del uso, actuando como abono. Falch-Lovesey incluso está explorando el uso de desechos de algas de la producción de agar como base material.

Falch-Lovesey dice: "Mi objetivo es producir diseños impactantes que dejen al planeta mejor de

lo que lo encontré. Creo que muchos de mis compañeros comparten este ethos, así que estoy ansioso por ver toda la innovación que está saliendo de mi generación en New Designers."
New Designers se lleva a cabo del 26 al 29 de junio y del 3 al 6 de julio en el Centro de Diseño de Negocios de Londres

El reloj retrofuturista B/1 de Toledano & Chan.

Cuando se lanzó el Apple Watch en 2024, hubo muchas razones por las cuales el negocio tradicional de relojes suizos podría oler. Independientemente del ... [continúa]
