What is Blackjack (AKA 21)?

Blackjack is a casino card game, found in most (if not all) bricks & mortar casinos worldwide. It's an extremely popular game, due to its simplicity and the fact that it's easy to pick up and start playing a few hands.

Also known as '21', blackjack belongs to a family of card games that utilize the full 52-card deck. Other familiar titles in this family include Pontoon, and Vingt-et-Un. The game originated in France during the 19th century, as a development of earlier Spanish versions, but the rules of what we know as blackjack today were first used in the UK in the 1800s, and these were then transplanted to the US and refined further.

How to Play Blackjack - Rules of the Blackjack Table

Blackjack is a game played against the dealer, rather than other players, and has the objective to get the total of your cards as close to 21 as possible without exceeding this number.

To start a round, each player makes a bet, and the dealer deals each player two cards face up so they are visible to all players and to the dealer. The dealer also deals themselves two cards but only one is face up. Players then choose an option about what to do next including taking another card, ending their turn without taking a card, or doubling their bet.

Winning or losing is determined by the total of your cards, which cannot exceed 21, so in blackjack it's important to know the value of the cards and to be able to work out what you have in your hand, and what cards you need!

To learn the basics, you can read our How to Play Blackjack guide, which details the rules, how to bet, and the significance of the card values in relation to a hand. It's also a good idea to watch our how to play blackjack video guide below to get started:

Play Online Blackjack

The online version of blackjack does a great replication of the 'real' game found in casinos, and there are multiple sites that offer real money blackjack or free games.

Typically in the online game, you'll get a top-down view of the blackjack table facing the dealer. Cards will be dealt out as your blackjack hand. There will be a button to use to decide what to do in terms of 'hit', 'stand', 'split' etc, which you tap or click with a mouse, and usually, you'll find buttons to allow you to make different bets. If you're looking to try a hand, here's a few blackjack games to get you started:

Blackjack Strategy: Tips on How to Win at Blackjack more often

Blackjack is game of chance, just like all the other table games at the casino, and there is no guarantee of winning, even if you are using a card counter, for example. But there tips, tricks, hacks, cheats and tools that can help you to perfect your blackjack strategy and make better choices with the cards that you are dealt, such our free printable PDF Blackjack Cheat Sheet and Blackjack Calculator.

FREE Printable PDF Blackjack Chart Cheat Sheet

If you're new to playing blackjack, or you just want an extra edge to bring to your next blackjack game, look no further than our blackjack chart cheat sheet (which is free to download and print)! This Blackjack Cheat Sheet provides a number of actions for different scenarios based on the combination of cards you may be dealt in a game of blackjack. Learning what strategy to play with can help when learning the game of blackjack, and working out your favored way to bet and improve your chance of winning

Best Sites to Play Online Blackjack for Real Money

So you've learned the rules of blackjack, and looked over a number of strategies to find the right one for you - what's next? It might be time to play at a real money online casino.

If you're already familiar with blackjack and want to start playing online then you're in luck. There are a number of real money casinos that offer multiple blackjack options, and we recommend most of these as decent casinos to spend your money with, and these are all listed on our Real Money Blackjack guide for your ease.

Governo permite a empresas de combustíveis fósseis explorarem petróleo e gás sob áreas earmarked para parques eólicos marinhos

As empresas de combustíveis fósseis serão permitidas explorar petróleo e gás sob áreas designadas para Parques eólicos marinhos, pela primeira vez, o governo anunciará amanhã, segundo relatos, na medida que os ambientalistas afirmam ser mais uma prova de que os ministros estão abandonando a agenda climática.

A Autoridade de Transição do Mar do Norte (NSTA), que regula a produção de petróleo e gás no Mar do Norte, confirmará que concedeu licenças a cerca de 30 empresas para pesquisar hidrocarbonetos bet365 com mobile locais marcados para futuros parques eólicos marinhos.

Críticas reavivadas às políticas do primeiro-ministro e "Regressão à reputação climática do Reino Unido"

As empresas pesquisadoras não irão realizar perfurações, bet365 com mobile vez disso, usarão dados para determinar se os locais são economicamente viáveis para a exploração.

Se algum desses sites sob parques eólicos mostrar potencial, as plataformas de petróleo e gás serão capazes de usar energia dos turbinamentos para reduzir suas emissões. No entanto, eles também terão que chegar a um acordo com os operadores de parques eólicos antes de começarem a perfurar.

Embora algumas plataformas possam usar energia eólica para reduzir suas emissões, os especialistas dizem que as emissões decorrentes da combustão de qualquer petróleo e gás extraídos provavelmente ainda superariam quaisquer economias nas próprias operações de perfuração e extração.

Especialistas acrescentam que o anúncio deste quadro pode abalar a confiança dos investidores no setor de energia limpa do Reino Unido.

Preocupações sobre demora para o fim da venda de novos veículos a combustão e "Greenwashing da indústria de combustíveis fósseis"

Os investidores bet365 com mobile energia eólica offshore já expressaram grave preocupação ao governo sobre essa decisão, ameaçando até mesmo sair do mercado de energia limpa do Reino Unido.

O premier Liz Truss está sob pressão dos parlamentares conservadores e está recebendo alegações de que atrasou o fim das vendas de novos automóveis a diesel e a gasolina. Alguns também afirmam que atrasou a implementação da meta de emissões de carbono para 2035 bet365 com mobile 5 anos.

Etapa	Datas Importantes	Descrição
Fase 1	2024	Anúncio do objetivo líquido de emissões de carbono de zero para 2050
Fase 2	2024	Anúncio do Plano de Energia Ten Point e objetivo de reduzir emissões de carbono bet365 com mobile 78% até 2035
Fase 3	2024	Atraso no plano para acabar com a venda de novos carros a diesel e gasolina de 2035 para 2035
Fase 4	2024	Anúncio de licenças para exploração de petróleo e gás sob áreas earmarked para parques eólicos marinhos
Fase	2024	Esperada eliminação do subsídio aos combustíveis fósseis

5

O Partido Verde tem denunciado os planos como "greenwashing" e também os considera como um passo para fortalecer a indústria de combustíveis fósseis - o que significa um grande passo atrás nas metas climáticas do Reino Unido.
