Bet R\$5+ and Get R\$150 in Bonus Bets at bet365. Deposit required. Bet Credits wager excluded from returns. T&Cs, time limits and exclusions apply.

Bucks vs. Spurs pick

Giannis Antetokounmpo and the Milwaukee Bucks take on Victor Wembanyama and the Spurs tonight in San Antonio for a fun NBA matchup tonight.

Milwaukee is a 10-point favorite on bet365 Sportsbook, but since the Bucks played last night, I can't trust them on that number. However, the over on the total of 249.5 points is appealing.

Get the free Action Network app for expert picks, live odds, bet tracking and more.

I know it's a lot of points, but the Bucks are one of the best scoring teams in the NBA while the Spurs are one of the worst defenses. Milwaukee is second in the league at 124.6 points per game and Antetokounmpo and Damian Lillard are capable of dropping 40 points on any given night. In

fact, Lillard did score 40 points when these teams last played in December. Meanwhile, San Antonio has the third-worst defense in the NBA that allows 122.8 points per game. It has given up at least 130 points in four of its last six games, twice against low-level teams like the Trail Blazers and Jazz. Milwaukee's defense isn't great either, and after playing the Pacers last night, it probably won't bring its best defensive showing. Expect the Spurs bad defense to play to form and for the Bucks to have some tired legs after playing last night, so take the over on bet365 Sportsbook with bonus code NYPNEWS. Pick: OVER 249.5 points
