British online gambling operator

Sportingbet is a British online gambling operator,

owned by Entain plc. The company was listed on the London Stock Exchange and was a constituent of the FTSE SmallCap Index prior to its acquisition by GVC holdings.

History [edit]

The company was founded by Mark Blandford in 1997.[2]

Sportingbet acquired Paradise Poker in October 2004.[3] On 7 September 2006 Sportingbet reported that its then chairman, Peter Dicks, was detained in New York City on a Louisiana warrant while traveling in the United States on business unrelated to online gambling.[4] Louisiana is one of the few states that has a specific law prohibiting gambling online. In March 2007, all Louisiana warrants involving the company were cancelled.[5]

In October 2006, Sportingbet announced Paradise Poker would stop taking deposits from US customers, although most would be allowed to continue to play for another month.[6] Additionally, Sportingbet sold all its US-facing sports betting and casino businesses, including Sportsbook and Sports, to a group of private investors

for R\$1, and an assumption of R\$13.2 million in debts.[7]

In February 2007, Sportingbet

announced it was eliminating its Paradise Poker software and migrating players to its Sportingbet Poker platform. Prior to this, the two platforms had approximately the same number of players, but the Sportingbet platform had higher liquidity because that platform was part of a larger network. The brand name of Paradise Poker was retained.[8]

In 2008, Netbet (Pty) Ltd, a company in South Africa, licensed the

Sportingbet brand for online gambling in South Africa.

In October 2012, Sportingbet

announced its board had agreed to preliminary terms for a £530 million takeover bid from UK bookmaker William Hill and Isle of Man-based GVC Holdings.[9] Under the terms, Sportingbet's Australian and Spanish operations were bought by William Hill.[10]

Operations [edit]

Sportingbet operates local-focused sportsbooks, virtual games and casino sites, and the online poker cardroom, Paradise Poker. Overall, the company has over 2.5 million registered customers in 200 countries, who place over one million bets (casino, poker, sports and virtual games) per day.

Sportingbet operates

several websites. The largest of these are wholly owned and operated by Sportingbet. They also use a system similar to a franchise, in which independent website operators use Sportingbet's centralised software, financial services, trading, and customer service under license. These web sites receive a cut of the profits their customers generate.

Sportingbet's corporate offices are located in Guernsey. They also have offices and call centres in the Republic of Ireland and Costa Rica. The PLC is located in Moorgate, London.

The company sponsored Premier League, Championship and League One football team Wolverhampton Wanderers from the 2009–10 season until the 2013–14 season.[11] This link-up with a football club first began in January 2009, when

Bulgarian football club Slavia Sofia announced a 3-year sponsoring deal. As a result, the logo of the company appeared on the club's shirts for the 2008–09, 2009–10 and 2010–11 seasons of the Bulgarian A PFG. Sportingbet also sponsored Steaua Bucuresti of Romania for the 2009–10 and 2010–11 season. The logo also appeared on Steaua Bucuresti II, Steaua's reserve team's shirt, which now plays in Liga. Sportingbet also sponsored division 1 Victorian amateur football team Banyule FC for the 2010–2011 seasons.[12]

Jude Bellingham enfrenta investigación de la UEFA por gesto obsceno

Jude Bellingham se enfrenta a una investigación de la UEFA después de hacer un gesto obsceno después de anotar el gol del empate contra Eslovaquia el domingo. Aunque se considera poco probable que el héroe de Inglaterra sea sancionado.

Bellingham mantuvo con vida a Inglaterra en la Eurocopa 2024 con un remate acrobático en el tiempo de descuento y un gol de Harry Kane llevó a Inglaterra a los cuartos de final contra Suiza el sábado.

Bellingham fue captado en la televisión besando su mano derecha antes de hacer un gesto hacia la entepierna, aunque dijo que se trataba de una "broma interna hacia algunos amigos cercanos que estaban en el juego" y de ninguna manera estaba dirigido al banquillo eslovaco.

Más tarde, tuiteó la misma defensa. Sin embargo, la UEFA ha considerado necesario solicitar más información y profundizar en el asunto. Dijeron:

Un inspector de ética y disciplina llevará a cabo una investigación disciplinaria sobre una posible violación de las normas básicas de conducta decente por parte del jugador de la Asociación de Fútbol de Inglaterra, Jude Bellingham, que habría ocurrido en el marco de este partido.

La UEFA también ha acusado a la FA de una "falta de orden o disciplina" por parte de los aficionados ingleses y el "encendido de fuegos artificiales" por parte de ellos.
