Finding the best UK online poker sites is about more than just the most lucrative poker bonus sign-up offers. It very much depends on what type of player you are when playing the famous casino game.

Are you a beginner looking for recreational action where the sharks don't swim? A seasoned tournament entrant? Looking for the lowest rake? Or the highest volume of opponents to take on? Our review below covers the best sites for all those tastes and more.

The best online poker sites in the UK

Many of the UK's leading online poker sites are members of Playtech's iPoker Network, which means they share common poker client software and a common player pool. This means there's nothing between the sites in terms of player volume, or the skill level of their traffic.

So why have iPoker Network sites 888poker, bet365, Betfair, Paddy Power and William Hill all separately made our list of the best UK online poker sites? The offerings each brand provides still differ in many ways, especially in terms of promotions and offers. Find out more below.

888 Poker

888 Poker stands out for its ability to deliver top-notch gameplay to players all over the world. Committed to providing users with an unparalleled poker experience, it's clear to see why 888 Poker has received plenty of accolades.

bet365 Poker

Best UK online poker site in 2024 for beginners

Playing online poker for real money can be daunting for the rookie player, not least the prospect of facing off against more experienced heads as you hone your craft.

What makes bet365 one of the best UK online poker sites for beginners is their Beginners' Cash Tables. These tables are only open to players for 90 days after the sign-up for a new account, meaning beginners are far more likely to be playing against opponents of a similar skill level.

It would be remiss not to point out that in theory there's nothing to stop a master player opening an account and gaining access to the beginner rooms. However, the maximum blinds of R\$1/\$2 should go some way to limiting such players' enthusiasm for bullying newer poker players.

PokerStars Poker

Best UK online poker site in 2024 for range of poker tournaments

According to most sources, PokerStars has by far the most traffic of any online poker site UK players can get involved in. They serve up an unparalleled variety of tournaments with 26 different types of online poker tournaments detailed on their website.

Their flagship event is the Sunday Million, where there's a guaranteed prize pool of R\$1m, but there are also a vast amount of tournaments for Monday to Friday players.

Unibet Poker

Best UK online poker site in 2024 for low rake

The rake in online poker is the commission a poker site takes from the pot for every game it hosts. A low rake % means less of the money you could win in any given hand is going to the operator.

Unibet offers a standout 1% rake for lower buy-in limits on popular game types Texas Holdem and Omaha, a rake % that only PokerStars (3% at lower buy-ins) gets close to. Players also benefit from a 50% rake cut if they are playing in a two-handed or three-handed room.

Along with the fact that Unibet Poker forbids the use of heads-up display tools like Pokertracker and Holdem Manager, this is one of many reasons Unibet Poker is a great place for recreational players.

Paddy Power Poker

Best UK online poker site in 2024 for easy set-up poker client

For newcomers to playing poker online, downloading poker clients can be a bit off putting. After all, what other types of online gaming require this extra step? Instant play online sites mean

avoiding downloads is possible, but often players must sacrifice the full diversity of features in return.

Paddy Power Poker makes setting up their desktop poker client as simple and speedy as can be, meaning you'll be ready to register or return to your account seconds after clicking download.

Betfair Poker

Best UK online poker site in 2024 for setting up your own games

As part of the iPoker network along with the likes of William Hill, bet365 and sister company Paddy Power, Betfair Poker can always guarantee a substantial player pool.

But what if you want to play poker online for real money against your friends rather than unknown opponents? One of the more unique aspects of Betfair Poker is the fact that they will help facilitate 'private home games' on your behalf.

Tailor aspects of the game such as buy-ins and blind configuration to your tastes, invite your adversaries and let Betfair Poker take care of managing the funds and the pot while you do battle in your own private room.

PartyPoker

PartyPoker are making waves in the industry with their enticing welcome offer which allows new customers the opportunity to claim a matched deposit bonus up to £400 PLUS £70 worth of free play.

Expectativas de 2 millones de votantes en la elección presidencial de Mauritania

Se espera que alrededor de 2 millones de personas acudan a las urnas en las elecciones presidenciales de Mauritania, en lo que podría ser la primera transición de poder civil en la nación del desierto.

Después de la independencia de Francia en 1960, el estado oesteafricano experimentó varios golpes de Estado en los años siguientes. La incipiente democracia ha sido relativamente estable

desde 2024, cuando Mohamed Ould Ghazouani fue elegido presidente.

Candidatos y expectativas

Ghazouani, de 67 años, ex jefe del ejército y figura clave en el golpe de Estado de 2008 que derrocó al primer presidente democráticamente electo del país, Sidi Abdallahi, busca la reelección para un segundo y último mandato de cinco años en las elecciones del sábado.

La Comisión Electoral Nacional Independiente (CENI) ha autorizado a seis candidatos para competir en las elecciones junto a Ghazouani. Si ningún candidato recibe la mayoría absoluta el sábado, se realizará una segunda vuelta en dos semanas entre los dos candidatos con más votos.

El principal oponente es el líder de la oposición y parlamentario Biram Dah Abeid, quien se ha ganado el respeto como defensor de la igualdad racial en un país que fue el último en el mundo en abolir formalmente la esclavitud en 1981.

Abeid ha culpado al actual gobierno de las malas condiciones económicas en el país, donde la mitad de la población vive en la pobreza multidimensional, según las Naciones Unidas.

"El régimen de Mauritania siempre ha vivido del saqueo de la riqueza, la represión de las poblaciones y el uso de falsificaciones", dijo el activista de 59 años recientemente en Nouakchott, la capital.

El favorito y los desafíos

Sin embargo, se espera ampliamente que el actual presidente vuelva a derrotar a Abeid, quien fue subcampeón en 2024.

Gilles Yabi, fundador del think tank Ciudadanos de Dakar, dijo: "Ghazouani ganará debido a las ventajas habituales de la incumbencia y encarna el perfil típico de los presidentes de Mauritania, habiendo sido un general, jefe del ejército y ministro de Defensa. Es extremadamente difícil pensar que habrá una sorpresa en quién gane estas elecciones".

Mauritania, con una población de 4,7 millones de personas, también está bajo los focos internacionales debido a su pasado de golpes de Estado en una región con seis golpes de Estado exitosos en menos de cuatro años.

Dos de esos golpes tuvieron lugar en Mali, vecino del este, que continúa lidiando con una violencia yihadista de una década.
