Em resumo, a Bet PT é uma excelente opção para aqueles que procuram uma plataforma de apostas desportivas e jogos de casino online segura, fácil de usar e regulamentada em bwin 0023 Portugal.

Esports betting is a relatively new form of entertainment that millions of people enjoy.

In this video we will explain what esports betting is, how it works, and what the risks are that you need to be aware of.

What are Esports?

Esports is a term for competitive gaming.

In many ways it's the same as traditional sports with fans following teams, watching matches and placing bets on who will win.

Esports are streamed live, with millions of viewers around the world watching contests at any given time, leading to esports becoming a billion-dollar industry in recent years.

There are two main types of esports, the simulation of real-life sports (FIFA, NBA and MLS have their own esports teams, for example) and classic esports games like League of Legends, DOTA 2 and CS:GO.

Streaming platforms like YouTube and Twitch have made watching players accessible to anyone with an internet connection.

Like in traditional sports, successful players can earn large salaries.

Some of the biggest esports tournaments involve teams and players competing for millions of dollars in prize money.

Read More: What is Esports?

How Does Esports Betting Work?

Although you can gamble before an esports event, live betting during the match has become hugely popular.

The three most common types of esports betting are:

Real-money, fixed-odds betting through an online betting site

Social betting between individuals arranged privately

Skins gambling and loot boxes, which often take place in-game

Some esports bets are specific to a particular game like CSGO , League of Legends, FIFA and DOTA2.

For example, someone might place a wager on who makes the 'first kill' within a particular match.

Others bets can be placed on: Who wins the match

Who wins the tournament The final score

Odd/Evens bets – this is where you guess whether there will be an odd or even number of games won, players killed, or rounds played.

And Over/Under bets – you bet on whether an esports team will score more or less than an amount set by the online betting site.

Esports Betting Risks

Since esports has become increasingly mainstream and esports betting is widely accessible, it's important to understand the potential risks, especially for younger people.

One concern is that because esports betting may not look like traditional gambling, parents of gamers or young people may not realize that esports betting and loot box purchasing can be, in fact, gambling.

While traditional gambling is illegal for minors, esports betting and other in-game gambling mechanics are not regulated, thus people under 18, or in some areas, under 21 can easily gamble, often on their parents' credit cards.

Social media also plays a big part in encouraging young gamers to bet, by making it seem like a normal part of gaming.

Esports betting sites advertise using social media posts that are funny and relatable, with memes deliberately targeting a younger audience.

This is different than advertising aimed at an older demographic who places bets on traditional sports.

Another concern when betting in esports can be a person's lack of knowledge of all the intricacies of the sport.

Some games like DOTA2 or League of Legends are quite complex and hard to understand without an in-depth personal knowledge of the game.

This is different from traditional sports, like soccer, for example, where the rules of the game are generally widely available and understood by spectators.

A further concern with esports betting is match fixing, and the lack of proper anti-fraud and cheating mechanisms in place.

Finally, as more young people engage in esports betting, or gambling within video games, there are concerns that some may develop a serious problem or even an addiction.

Consequences of these can include negative impacts in their physical health, anxiety, depression, lost work or school opportunities, conflicts in their relationships with friends or family, and more.

Where to Get Help

If you think esports betting is causing you or a family member problems, emotional distress, or financial harm, there is help and resources available for you.

Mental health support for individuals and families experiencing problems associated with gaming or gambling.

Rory Mcllroy lidera el BR PGA Championship empatado con Robert MacIntyre

Rory Mcllroy entregó una tarjeta de 66 golpes, cinco bajo par, en la primera ronda del BR PGA Championship en Valhalla. El norirlandés se ubica en la cima de la tabla de posiciones junto al escocés Robert MacIntyre.

Jugador	País	Ronda 1
Rory Mcllroy	Irlanda del Norte	66, -5
Robert MacIntyre	Escocia	66, -5
Xander Schauffele	Estados Unidos	67, -4

Mcllroy, de 35 años, mostró cautela durante su ronda y su putter lo mantuvo a flote. Un trío de birdies en los hoyos 5, 6 y 7 (hoyos 14, 15 y 16 en el recorrido) impulsaron su score. Su approach en el hoyo 18 le permitió salvar el par y finalizar con una tarjeta de 66 golpes.

El escocés Robert MacIntyre también entregó una tarjeta de 66 golpes y se ubica empatado en el primer lugar con Mcllroy. MacIntyre pasó tres semanas en su hogar en Oban, Escocia, y afirmó que este descanso le permitió recargar energías y mejorar su juego.

Xander Schauffele se ubica en el tercer lugar, a un golpe de los líderes. El estadounidense firmó una tarjeta de 67 golpes y buscará su primer título en un major.

Tiger Woods terminó con una ronda de 72 golpes y se ubica en el puesto 83. El 15 veces campeón de majors lamentó su falta de competencia y admitió que necesita más rondas de torneo para mejorar su juego.
