There are not many sports that start with the letter Q, but there are a few.

These sports are mostly played in countries where the letter Q is common in the alphabet, such as Qatar.

The most common sport that starts with Q is Qatar, which is a form of cricket.

Other sports that start with Q include quidditch, which is a sport from the Harry Potter series, and quoits, which is a throwing game.

#### Sports Beginning With QContentsQuidditch

Quidditch is a sport of two teams of seven players each mounted on broomsticks.

The objective is to score goals by throwing a ball through a slightly raised hoop at the end of each of the opposing team's playing field.

A game of Quidditch is played between two teams of seven players each.

There are three chasers, who try to score goals by throwing the Quaffle, a slightly deflated volleyball, through one of the three hoops at the other end of the pitch; two beaters, who use bats to protect their team's chasers and beat back the opposing team's bludgers; a keeper, who tries to stop the other team from scoring by blocking the Quaffle with his or her body; and a seeker, who tries to catch the elusive Golden Snitch, a small, fast, winged ball that flies around the pitch.

#### Quoits

Quoits is a traditional game that involves throwing metal, rope, or rubber rings at a target.

The game is thought to have originated in the UK, and it was once a popular pub game.

Quoits can be played on a variety of surfaces, including grass, sand, and concrete.

The rings are typically thrown from a standing position, but there are also seated and wheelchair-accessible versions of the game.

Quoits is usually played with two teams of two players each, but it can also be played as a single-player game.

The objective is to score points by throwing your quoits so that they land on or near the target.

Quoits is a relatively simple game that can be enjoyed by people of all ages and abilities.

It is a great way to get some fresh air and exercise, and it can be played in a park or backyard.

#### Qianball

Qianball is a sport that is quickly gaining popularity all over the world.

It is a hybrid of squash and tennis, played on a smaller court with soft, low-bouncing balls.

The game can be played singles or doubles, and the rules are similar to those of tennis.

The biggest difference is that the ball can be hit off of any surface, including the walls and ceiling. This makes for a fast-paced and exciting game that can be enjoyed by people of all ages and skill levels.

While Qianball may not yet be an Olympic sport, it is quickly gaining popularity and could one day be featured on the world's biggest stage.

#### Quadrathlon

A quadrathlon is a sporting event that combines four different disciplines into one race.

Typically, these events include swimming, cycling, running, and kayaking or canoeing.

Quadrathlons can be either team or individual events, and they are often used as a way to test athletes' endurance and strength.

While there is no official world championships for quadrathlons, there are several major races that attract top athletes from around the globe.

The most common format for a quadrathlon is a point-to-point race, where each discipline is completed in succession.

However, there are also relay-style races where teams of athletes take on different legs of the course.

Regardless of the format, quadrathlons are typically very challenging events that require a high level of fitness.

If you're looking for a new challenge, consider giving a quadrathlon a try.

These events are sure to test your limits and leave you feeling accomplished at the finish line.
