Bwin: an experienced sports bookmaker

Bwin has been active in the sports

betting world since 1997. Although we only come across the name Bwin from 2006. Before then, this Austrian gambling company still used the full name: Betandwin.

In the first

few years, the online bookmaker focused solely on sports betting. And successfully.

There are now even more than 20 million players worldwide who sometimes take a gamble on one of the football, tennis, or cycling games. But the people behind Bwin wanted more. In 2001 they decided to expand the offer with an online casino. There were poker games, slot machines, roulette tables, and much more. However, the love of sports has always remained. That is why you can still go here for the most various bets.

More than

30,000 bets per day

Every sports fan is different. You probably would like to bet on

major football tournaments or competitions. But maybe you are also secretly interested

in a small sport like biathlon or cricket. It does not matter which you prefer, because all these sports can be found at Bwin. The online bookmaker even promises that there are over 30,000 bets to choose from every day. Most attention is of course focused on football. From the Champions League and the World Cup to the national competitions of Germany, England, Argentina, and Turkey: it's all there. Almost every sports competition worldwide is represented at Bwin. Because sometimes it is just very interesting and exciting to bet on your favorite local club.

Bet your money on a live football game

There are more and more football fans who like to bet their money on a live match. Fortunately, Bwin offers live betting almost 24 hours a day. Under the heading, 'live betting' are all matches that are currently in progress or that will start in a few minutes. And everything is organized by continent. This helps you to make a choice quickly and easily.

At Bwin, you can bet on an impressive number of live football matches. Also, there are many different types of bets you can choose. For example, think of:

Which team will score in the second half?

How many goals will there be in the next 15 minutes?

Will the home team score or not?

Does the match end with an odd or even number of goals?

These types of bets are especially popular with the more experienced football gamblers. Novice gamblers often prefer to predict the average final result. To make a bet even more interesting, it is also possible at Bwin to bet with a handicap. You immediately give one of the two teams a virtual lead. Due to the many options, there is a suitable bet on Bwin for everyone. And once you have bet money, you can easily follow most games via Bwin's live stream. This way, you can see from minute to minute whether the game is going as you hoped.

Download the Bwin app on your iPhone or Android device

Bwin has been a big name in the gambling world for twenty years. It is partly because the bookmaker keeps moving with the times. For example, the company launched its own app a while ago. This mobile app works on iPhones, iPads, and all Android devices.

The offer on the mobile app is the same as on the regular website. But a few extras have been added. For example, you can choose to activate the live alerts. So if there is essential football news, then you are the first to know. To stimulate the use of the app, Bwin even created exclusive bonuses. Mobile gamblers can get a free bet just like that. And only because they use the Bwin app.

Many different bonuses and promotions

Bwin does not reserve the bonuses only to mobile gamblers. Because everyone who registers with this bookmaker benefits from a 100% welcome bonus. And that is not all. Because Bwin regularly has new promotions on the website. One time you will get a free bet when you bet on a basketball game, and the next time you might come across an interesting promotion regarding the European or World Cup. In terms of bonus actions, Bwin clearly beats many of its competitors.

Deposit and withdrawal options

Those who bet online must, of course, have sufficient balance. At Bwin, there are several ways to top up this balance. E-wallets

such as Skrill and Neteller are very popular with football gamblers. You can also use your credit card, Paysafecard, or PayPal. With this bookmaker, you are obliged to deposit at least €10 at a time. But if you want to take football betting seriously, it is wise to increase this amount quickly.

Have the sports bets been profitable? Then you want to have the money in your account quickly. Fortunately, you never have to wait long for the payout at Bwin. Most requests are processed within 24 hours. With Bwin, the payouts are free once a month. After that, you have to pay administration costs. These additional costs only apply to amounts up to € 1,000. So if you have really gambled a large sum of money together, you can have it at any time.

Professional

customer service support

Bwin is an online bookmaker for both novice and more experienced gamblers. That is why you can also contact the helpdesk with all kinds of questions. General questions about the bonuses, account, and payment methods are extensively answered on the FAQ page. You can always ask other questions via the contact form on the website. Would you rather speak to someone directly? You can contact Bwin by telephone (via international number 00350 200 77761) or start a chat conversation. The phone and live chat are open between 10 a.m. and 10 p.m. This applies to both weekdays and weekends.

Our final verdict on Bwin

One thing that always emerges

from this review: Bwin takes everything very seriously. The bookmaker has a good app, professional customer service, a wide range, and many different bonus promotions. At Bookmakers.eu, we are therefore very positive about this gambling company. Bwin is one of the market leaders in sports betting for a reason.

Zayn Malik lanza un nuevo álbum con un sonido inesperado

Desde que desembarcó del tren de One Direction en 2024, Zayn Malik ha tomado el camino menos transitado. Su álbum debut en solitario de 2024, *Mind of Mine*, alojó el éxito global

Pillowtalk, pero fue seguido por el álbum conceptual de 27 pistas *Icarus Falls*. Mientras que sus ex compañeros de banda han recorrido el mundo, Malik solo recientemente dio su primer concierto en solitario. Este cuarto álbum es otra maniobra inesperada. Abandonando su sonido pop R&B, se enfoca en guitarras acústicas rústicas, teclados brillantes y el patrón de tambores en vivo, asistido por el productor de Nashville Dave Cobb (Chris Stapleton, Brandi Carlile).

En su mayor parte, el minimalismo le queda bien a Malik. En el primer sencillo conmovedor *What I Am*, su rica y desgastada vocal se recuesta suavemente sobre un ritmo de rock suave y una melódica molesta, mientras que *How It Feels* es un lamento emocional crudo. La escasa *Shoot at Will* lo encuentra husmeando en una relación desgastada como un trovador abatido. Es la alegre *Stardust* la que interrumpe la introspección. A pesar de algunos clichés líricos (*Concrete Kisses* presenta una línea sobre una "taza grande de mierda") y un estado de ánimo que puede resultar monótono, es un disco que refuerza a Malik como un solitario intrigante.
