Did You Know...

Something that is

very unusual about Monopoly, as a brand, for a slot machine is that it does not seem to always be tied to one particular company. The game has been seen in both IGT and WMS cabinets over the years, prior to them merging as Scientific Gaming.

This seems to be

true for Monopoly, as a brand, for all sorts of games outside of casino. For example, many different companies have had Monopoly related scratch cards and instant play games, including those produced by McD's.
