What is 10bet?

10bet is one of the less well-known online bookmakers in the UK but it has started to rise in popularity among punters looking for a new place to bet.

When

you use the 10bet sportsbook there are some brilliant promotions and offers that are available for existing and new customers. These vary from a sign-up offer to other promotions – and we take you through them, and everything else you need to know, in our 10bet review.

What is the 10bet sign-up offer?

The fantastic current 10bet sign-up

offer allows you to earn up to £25 in bonuses depending on how match you first deposit when signing up to the bookmaker.

All you have to do to join 10bet is sign up with its

promotion and you will get a 50 per cent bonus up to £50. To receive the maximum bonus of £50 you must deposit at least £100.

This is a good offer that can allow bonuses as

soon as you sign up, although it could be improved with a higher percentage being matched, which some other bookmakers do provide.

New bettors get 50 per cent of deposit

up to £50; once per household; minimum deposit £15 (no Skrill/Neteller); wager a total

of eight times deposit + bonus, with maximum qualifying bet stake equal to your initial bonus amount; bonus expires after 60 days; minimum odds of 4/5 on singles, or 2/5 per leg for acca; some bet types excluded.

Already claimed the 10bet sign-up offer? Check

out the latest bookmaker offers from the best betting sites.

What betting offers does

10bet have?

10bet has some brilliant features that let the bookmaker stand out as it looks to compete with the top operators in the UK.

One promotion that makes 10bet one of the best for existing customers is the bookmaker's game-by-game offers. For example, 10bet might have a promotion such as a £5 free bet if a team fails to score in a match. 10bet makes these offers throughout the season and they add interest for customers when betting on the game, so are well worth keeping an eye out for.

You can also win a free

bet each week by choosing from a series of scenarios that 10bet comes up with. These could involve the over/under goals market, the number of fouls or how many minutes are added to the first half and many more. Guess correctly and you could get a free bet.

10bet accumulator bonus

10bet has introduced a fantastic new accumulator bonus offer for new and existing customers to take advantage of, offering the chance to earn a cash bonus up to the value of £5,000 on winning accas.

1. Place a pre-match acca bet of at least three selections

2. 10bet adds a cash bonus of 5% – 100% to your winnings up to £5,000

How to place a bet with 10bet

Like many other bookmakers, 10bet is tremendously easy to use online and has a very accessible way of placing bets that is similar to other bookies.

Adding bets to your bet slip is easy to navigate as is combining bets, while 10bet also produces a nice colour scheme when adding your bets to the bet slip, making it easy for customers to read and place their selections.

10bet

deposit and withdrawal

10bet has very simple navigation for punters when it comes to depositing and withdrawing funds.

As soon as you go to your account there are a whole host of ways to deposit and withdraw, including PayPal and debit card.

Funds are

normally returned into a customer's bank within two to four working days, while deposits are made instantly into your account, making it quick and easy to bet on in-play sport.

What markets does 10bet offer?

10bet has a variety of markets on offer with a lot of the popular ones displayed on the home page and then on the front page for each specific event/sport.

The bookie has the ever-popular markets for each sport, and for many of the top events there are a number of specials to pick from.

For

football, there are the classic both teams to score, under/over goal markets, players to score at any time and match result markets.

It also has the bet-builder option, which is gaining in popularity as it enables punters to combine different selections and therefore the odds to give one big price.

For horse racing, all the markets are

available for the day's racing on the site, which claims to have some of the best early prices in the industry.

The markets are very easy to navigate and all the sports are listed down the left-hand side of the page all the time meaning you can move through the events with no trouble at all.

Is cash-out available on 10bet?

Cash-out is

available for a lot of the popular markets on 10bet, and can be used regularly if you're looking to take your money before the bet has been settled.

10bet also offers

customers partial cash-out. This allows you to stay in control with your cash-out as you choose a percentage of the profit/stake while also keeping some of your funds on the bet.

10bet in-play betting

10bet is great for those searching for a new bookie for in-play betting.

It has a huge number of sports available to live-bet on and all are easy to find on the dedicated tab on desktop, mobile and app.

You can choose from

football, tennis, basketball, cricket, darts and much more from around the world's biggest leagues, tournaments and competitions.

The facility to place a bet promptly is

great for live betting as it gives you the best chance of making sure you do not see the market suspended, leaving you unable to place the bet you wanted.

There are also

plenty of markets available on the sports, some of which are niche and you would not find on some other bookmakers, meaning 10bet is a good choice for live betting.

Are

virtual markets offered on 10bet?

There are virtual markets offered on 10bet, and there are some great markets with the possibility of betting on football, racing, tennis and even velodrome cycling.

There are definitely enough games and markets for customers to use when looking to dip into the virtual betting market.

10bet review

The bookie has a

great set-up and is on course to improve. Its modern website provides a lot of top offers and market, and 10bet can grow to become one of the best operators in the UK.

The site's sign-up offer is strong and can provide the customer with up to £25 in bonuses – more than many current bookmakers. 10bet seems to be improving throughout and is not far from competing with some of the industry's standouts.

Frank Cottrell-Boyce, el nuevo laureado de literatura infantil del Reino Unido, cree en el optimismo y la importancia de la lectura en la infancia

Frank Cottrell-Boyce, recientemente nombrado laureado de literatura infantil del Reino Unido, cree en el optimismo y la importancia de la lectura en la infancia. A pesar de ser anunciado en un momento en que los ojos del público están enfocados en Westminster y las urnas, cree que la gente se volverá a un relato más alegre en busca de alivio, lo que le permitirá saltar al clásico "y por último" en los boletines informativos. "Estoy feliz de ser ese pato patinador", sonríe mientras platica a través de Zoom desde su hogar en Merseyside.

Pero ser alegre no es solo una función de su temperamento, como dejó claro en su discurso de aceptación del título. Citando al influyente economista William Beveridge, cuyo informe fundacional sentó las bases para el moderno estado de bienestar, Cottrell-Boyce insiste en que "rasca a un pesimista y encontrará a un defensor de los privilegios"; y es su intención, durante su mandato de dos años, demostrar que mejorar la vida de los niños aumentando su acceso a los libros, la lectura y lo que él llama "el aparato de la felicidad" es crítico para las perspectivas de las generaciones venideras, y que el costo de ignorarlo es impensable.

La importancia de la lectura en la infancia

Cottrell-Boyce está decidido a que la investigación lo respalde. "No hay nada especulativo al respecto. Tenemos las cifras - tenemos las cifras durante 25 años - sobre qué diferencia hace la lectura por placer y la lectura en común en la vida de un niño, especialmente en los primeros años. Sabemos esto muy bien."

Señala el trabajo realizado por BookTrust, la organización que patrocina el cargo de laureado de literatura infantil, indicando que el 95% de los padres con hijos menores de siete años saben lo crucial que es la lectura, pero solo uno de cada cinco lee con sus hijos. "Es simplemente demasiado descarado. Tenemos que cerrar esa brecha. No hay nada discutible al respecto - y creo que es realmente alcanzable. No se trata de construir un puente a Irlanda o un aeropuerto flotante. No se trata de algún sueño loco, increíblemente caro."

Cottrell-Boyce tiene un buen historial cuando se trata de encantar a audiencias de cine y televisión y lectores. Como guionista, es responsable de 24 Hour Party People, A Cock and Bull Story y, más recientemente, The Beautiful Game y Kensuke's Kingdom, una película animada adaptada de la novela del mismo nombre de Michael Morpurgo. También ha escrito para Doctor Who.

Su primer libro para niños, el ganador de la Medalla Carnegie Millions, que imagina a un par de hermanos descubriendo una gran cantidad de dinero y luego teniendo que deshacerse de ella en los últimos días antes de la (imaginaria) introducción del euro en el Reino Unido, surgió de una colaboración cinematográfica con Danny Boyle. En los años desde su debut de 2004, ha escrito varios libros más, incluida una secuela de Chitty Chitty Bang Bang, y ahora se ve a sí mismo principalmente como escritor para niños.

Un férreo defensor de la lectura en la infancia

Las credenciales de Cottrell-Boyce para asumir el cargo son claras. Pero ¿cómo cree que va a convencer a un nuevo gobierno de que necesita prestar atención a él en medio de emergencias que acaparan los titulares que van desde la crisis del costo de vida hasta la emergencia climática?

En primer lugar, dice: "¿Por qué en el mundo tendrías que argumentar
