Zendaya Coleman: uma artista versátil no auge de endrick fifa 23 carreira

A atriz, modelo e produtora Zendaya Coleman – conhecida universalmente pelo monônimo – nunca foi breve de atenção, mas parece ter alcançado um momento de transcendência. Com o romance de tênis "Challengers" chegando aos cinemas, no qual ela é o foco central, o blockbuster de ficção científica "Dune: Part Two" ainda atraindo público e atuando como capa simultânea de duas edições separadas da Vogue – a britânica e a americana – Zendaya parece ter alcançado um novo nível.

Uma carreira repleta de momentos marcantes

Sua carreira até agora se especializou em momentos cativantes, como a aparição em um espetacular "vestido de robô prateado" na estreia de "Dune: Part Two" e o trailer de "Challengers" em junho de 2024, com a premissa sugestivamente sexy de um caso de amor à três.

"Challengers": um marco na carreira

No entanto, "Challengers" representa uma redefinição de carreira de alto risco; co-estrelado por Josh O'Connor e Mike Faist e dirigido pelo cineasta italiano Luca Guadagnino, Zendaya está usando-o para transitar para papéis maduros e dramáticos enquanto não abandona o público adolescente e pré-adolescente que constituem a maior parte de sua torcida.

Ela parece estar ciente disso tanto quanto qualquer um, dizendo à Variety: "Estive interpretando adolescentes de 16 anos desde os 16 ... Então foi legal interpretar um personagem que não era mais uma criança. No fundo, sentimos que era o momento certo para um personagem assim."

Uma força além dos holofotes

Assim como muitos de seus colegas, boa parte do prestígio de Zendaya deriva de atividades além da visão do público do cinema, demonstrando *savoir faire* comercial e de relações públicas desde os primeiros dias. Como criança, ela começou na indústria do entretenimento como modelo e dançarina de fundo, chamou a atenção em sitcoms do Disney Channel e algumas liberações de gravação, incluindo o moderadamente bem-sucedido "Watch Me" com a co-estrela Bella Thorne. Ela foi transformada em boneca Barbie ainda adolescente e criou sua própria marca de roupa Daya alguns meses depois, antes de se tornar "embaixadora" de marcas de moda como Tommy Hilfger, Lancôme e Valentino em seus primeiros 20 anos – tudo, provavelmente, capitalizando sua forte presença nas redes sociais, onde seus 184 milhões de seguidores no Instagram a colocam entre as 30 primeiras globalmente, ao lado de nomes como Demi Lovato, Miley Cyrus e Kourtney Kardashian.
