contente:

European Roulette™ is a classic roulette game that features inside bets, outside bets, call bets, special bets, and favorite bets.

The roulette wheel has 37

slots numbered 0-36. The objective of the game is to predict which slot the ball will land in after the wheel is spun.

Avid players of the standard European wheel roulette will love this one. Instant Roulette Live developed by Evolution Gaming has been dubbed as the fastest roulette game ever. Play at King Casino *Any values mentioned are subject to change.

Instant

Roulette Live Game Overview

Like a standard roulette you'd find in an online casino, it

is playable on a European wheel which means there are 37 pickets available.

Instant

roulette is a live variant roulette that spins 24/7; it is multi-wheeled and super-fast. It's fast becoming a favourite amongst casino game lovers because of its originality and tempo. The game offers an RTP of 97.30% and features 12 active wheels.

An exciting feature that comes with the game is the unlimited betting time and the "Rebet" option. You can read more about this game below or play slot games online on King Casino.

How to Play Instant Roulette Live

The Auto roulette with its 12 wheels

comes four columns of the wheels in three rows. Its design is simple and aesthetic. The wheels never stop spinning, and you'll be assigned a vacant one as soon as possible.

When you hit the "Play Now" button that appears on the screen, you'll be granted a wheel marked with its respective number.

Instant Roulette Live's gameplay is entirely

random, and the outcome cannot be determined beforehand. You'd place your bet and then click play now, where you'd be assigned a wheel. The betting range is from £0.20 on a minimum to a maximum of £1,000. So, regardless of your budget, you have a spot.

When

playing instant roulette, the standard European roulette rules apply to it, and it has a single zero. Besides from the regular bet, it also offers "side bets" you can play; in essence, you can play French bets and neighbour bets. On the screen, you'd find buttons

to adjust how many numbers a neighbour bet covers.

The pay outs remain unchanged as in standard European wheel, on the dice landing on the following, so will you be paid. On straight bets (single number), you get 35:1, on splits — 17:1, on-street bets — 11:1, corner bets — 8:1, and on Line Bets — 5:1.

On instant roulette, you can save your favourite bets. You can save wagers that you like and when you want to play, draw them out from the favourites bet menu. There are also few bets already saved, including Finale En Plain, Finales A Cheval, and complete stakes.

It should be noted that Instant

Roulette Live does not have a dealer to manage the game. Players are given free will to manage the game as they wish, and everything works mechanically.

Bonuses In Instant

Roulette Live

There might not be features like bonus spins and multipliers like you'd find in online slots, but Evolution Gaming did well to include some unique features.

Features to help aid gameplay include:

Unlimited Time Betting: This means the player

has unlimited time to decide how much and what numbers to bet on as the wheels will continue spinning. You can decide to leave if you can't come to a decision and rejoin at any time.

This means the player has unlimited time to decide how much and what numbers to bet on as the wheels will continue spinning. You can decide to leave if you

can't come to a decision and rejoin at any time. Rebet Function: This is a unique feature that allows players to go to the next round in a matter of seconds. The same bet as the last round will apply to the next round with this function.

Take advantage

of these features now to get the most out of the Instant Roulette Live casino game here at King Casino.

Casino Game Statistics
