Let's step into the dark mines

together once again and help our bearded protagonist in his search for unimaginable wealth!

Inspired by the gold rush, Master of Gold is an online video slot designed by Belatra Games casino software - a Belarus-based company that has been in business for more than 25 years.

It's played on a regular 5x3 grid with 25 fixed paylines while in terms of available bonus features, you can expect Wilds, scatters, Gamble Feature, Jackpots, Buy Feature, and Free Spins.

Playable across all devices and on all available platforms, this highly volatile online release offers the top payout of 500x the bet.

Now, let's see what this is all about, shall we?

Theme and Symbols

As expected,

the large red grid dominates the screen. Even though we're not fans of cartoon-styled online video slots, we must admit that the provider's graphics department did an amazing job here.

Qs, Ks, and Aces are the lowest paying symbols in the game offering up to 2x the bet for 5 of a kind. Magnifying glasses, wooden barrels, golden coins, silver boxes, and rings are the premiums that can pay up to 20x the bet for a combination of 5.

The gray-bearded miner is the scatter while the question mark represents the Wild symbol.

Betting Options and Other Functions

Master of Gold comes with 5 reels, 3 rows, and 25 fixed paylines which means that a punter won't be able to change the number of paylines during the game.

The minimum available bet sits at 1 coin while the maximum available one can go as high as 100 coins.

It's a highly volatile online release with an extremely low RTP of 93.36% (thanks to its various jackpots). Finally, the top payout stands at 500x the bet.

Special Features

As always, Wilds will replace all regular paying symbols (except scatters) to help punters score even more.

By landing 3

or more miner scatters anywhere on the grid, you'll trigger the Free Spins feature and the game will award 5 initial freebies. The great news is that the round can be re-triggered by landing additional 3 scatters up to a maximum of 101 spins free of charge.

6 or more credit symbols trigger the Bonus Game. Fill the grid with credit symbols and earn one of the 4 available jackpots - Mini, Midi, Grand or Mega.

Conclusion

Even though we prefer non-jackpot online releases, Master of Gold is undoubtedly another highly entertaining online video slot by Belatra Games. Win up to 500x the bet via Wilds, scatters, Gamble Feature, 4 available jackpots, and Free Spins.
