Israel-Gaza War: At least 20 people killed in strike on refugee camp in central Gaza, says hospital

In the early hours of Sunday morning, Al Jazeera Arabic's journalists on the ground reported Israeli raids in Rafah in the south of enclave and in the vicinity of the Kamal Adwan hospital in northern Gaza, where raids were also reported in the Sheikh Zayed and Zeitoun neighborhoods. Updated at

Key events

At least 20 people have been killed and several wounded after an Israeli airstrike targeted a house belonging to the Hassan family in al-Nuseirat refugee camp in central Gaza, the al-Aqsa Martyrs hospital said on Sunday.

Witnesses said the strike occurred about 3am local time. Palestinian official news agency Wafa reported that several children were among the injured people, and that rescuers were searching for missing people trapped under the rubble.

Fierce battles and heavy Israeli bombardments have been reported in the central Nuseirat camp since the military launched an offensive on Rafah in early May.

United Nations: 800,000 people forced to flee Israel's offensive in Rafah

The United Nations said 800,000 people had been "forced to flee" Israel's offensive in Rafah, the southern city where hundreds of thousands of Palestinian civilians had sought refuge from Israeli bombardments. Israel's military says Hamas militants are located there.

"800,000 people are on the road having been forced to flee since the Israeli forces started the military operation in the area on 6 May", the Unrwa chief said on X.
