Spin & Score Megaways Online Slot Review

Pragmatic Play take to the pitch with

their Spin & Score Megaways online slot. Football players appear on the 6 reels, with a dynamic number of symbols on each reel, to vary the number of ways to win. Winning symbols vanish and trigger Tumbles of those above, and wild symbols help to complete wins by acting as others. A Big Wild transforms symbols into extra wilds to give you a greater chance of a win.

Trophies award up to 30 free spins of the Spin & Score

Megaways slot machine reels, and you can gamble for extra spins if you trigger anything less than the maximum number. Every Tumble during the free games increases a win multiplier, and you can hit a 5,000x maximum payout here.

It's a high volatility game

with excellent average returns of 96.97% and you can play across desktop and mobile platforms at our and the .

How to Play the Spin & Score Megaways Slot Game

The

grass-green reels sit within the huge stands of a stadium, which is packed with cheering fans who provide a suitable soundtrack to the Spin & Score Megaways slot machine. You'll find 6 playing card symbols and 4 players, plus a golden ball and trophy bonus symbols.

Load it onto your PC, Android, iOS, or Windows mobile and thanks

to user-friendly controls, you can kick off in seconds. Tap plus or minus tabs to the sides of the spin button to pick from a wager range of 0.20 to 100.00 on each spin.

A

paytable is under the 'i' button and it has details on the gameplay, features and symbol values at your chosen stake. The Megaways system puts between 2 and 6 symbols on each reel, with a horizontal slider reel adding an extra row above the middle 4. This changes the number of ways to win in each spin, to a maximum of 117,649.

You win from

matched symbols in an unbroken sequence from the left reel. The most valuable player is worth 0.5x the stake when he lands on the first 2 reels from the left, increasing to 20x when he's on all 6 reels at our featured casinos. Autoplay and Quick Spin options are available also.

Free Spins & Other Spin & Score Megaways Slot Features

A

Tumble feature sees winning symbols vanish, leaving gaps for those above to drop into. New symbols appear from above the reels and if this leads to another win, you get another Tumble, with no limit to how many times this can happen in a series. The wild golden football can slide in on the top reel and it stands in for all except the trophy if it can then complete a win.

A diving goalkeeper is a Big Wild symbol, and he can

take up 2 spots on the top reel. All symbol positions on the reels below then transform into extra wild footballs, and if the Big Wild changes position on any Tumble, the reels underneath once again transform into wilds.

Land 4, 5, 6, 7, 8 or 9 trophy

scatter symbols and you get 10, 14, 18, 22, 26 or 30 free spins, respectively. If you get 10, 14, or 18 bonus games there's an option to gamble for more on the spin of a wheel. Successful spins add 4 extra free games to the total, but just one losing spin on the wheel takes the whole free games feature away, so be careful. You also get 4 further spins if 3 trophies land in any free game.

A win multiplier increases by 1x on

every Tumble throughout the free spins round, with no limit to how high this can climb.
