In 2024, Apple announced that as of September, it would only allow gambling apps native to iOS to be hosted in its App Store. This change was due to the fact that many gambling apps were 'container' apps, as they essentially repackaged their websites into apps, which was easier for developers to maintain.

They allow bettors the opportunity to personally build a bet for football and a number of other sports. The feature, which has rapidly grown in popularity over recent years, enables punters to customise their bets by choosing a number of selections within the same event with the odds boosted by every leg that is added.
