Sports science is a discipline that studies how the healthy human body works during exercise, and how sport and physical activity promote health and performance from cellular to whole body perspectives.

The study of sports science traditionally incorporates areas of physiology (exercise physiology), psychology (sport psychology), anatomy, biomechanics (sports biomechanics), biochemistry, and kinesiology.

Sports scientists and performance consultants are growing in demand and employment numbers, with the ever-increasing focus within the sporting world on achieving the best results possible.

Through the scientific study of sports, researchers have developed a greater understanding of how the human body reacts to exercise, training, different environments, and many other stimuli.

Origins of exercise physiology [edit]

Dezenas de estudantes se manifestam contra a guerra de Israel fox sports palmeiras hoje ao vivo Gaza na Universidade do Mississippi

Dozens of students at the University of Mississippi gathered this week to protest against Israel's war in Gaza and to call for the state's flagship university to be transparent in its potential dealings with Israel.

Manifestantes pró-Palestina são confrontados por centenas de contramanifestantes

There were hundreds of counter-protesters, in contrast to the few dozen pro-Palestine protesters. The scene evoked memories of the resistance to the civil rights struggle in the BR south six decades earlier.

Os contramanifestantes também incluem indivíduos com bandeiras americanas e Trump

The counter-protesters included individuals waving American flags and Trump flags. At one point, they sang the American national anthem, drowning out the pro-Palestine group's chants.

Mídia local registra itens sendo atirados e estudantes pró-Palestina sendo evacuados

Less than an hour after the protest began, police disbanded it – notably after counter-protests threw items, including water bottles, at the pro-Palestine group. Police safely evacuated the pro-Palestine students as the largely white, male group of counter-protesters chanted, "Nah, nah, nah, nah, hey, hey, hey, goodbye."

Alguns lideranças estaduais usam o termo "agitador externo" para desacreditar os protestos estudantis

Some university leaders and politicians around the BR have used the term "outside agitator" to attempt to discredit student-led protests and movements.

Ação dos contramanifestantes é condenada nas redes sociais

The actions of the counter-protesters – who shouted "Fuck Joe Biden", "Who's your daddy?", "USA", "Hit the showers", "Your nose is huge", and, in one instance, included a white man making monkey noises at a Black woman – have been widely condemned on social media.
