Jeff Nichols: "Estos tipos agresivamente protegen sus colores, su emblema"

El director Jeff Nichols presenta "The Bikeriders", una película que retrata la vida de una pandilla de motociclistas en Chicago. Nichols se inspiró en el libro de {img}grafías de Danny Lyon de 1967 del mismo nombre y decidió fictionalizar la pandilla para evitar problemas con los miembros reales. En la entrevista, Nichols habla sobre la sexualidad en la película, el proceso de casting y la elección de una narradora femenina.

La inspiración detrás de "The Bikeriders"

Nichols explica que se inspiró en el libro de {img}grafías de Danny Lyon de 1967 "The Bikeriders" para crear su película. Sin embargo, decidió fictionalizar la pandilla y cambiar su nombre a "Vandals" para evitar problemas con los miembros reales. "Estos tipos agresivamente protegen sus colores, su emblema, así que pensé que sería más seguro fictionalizarlos", dice Nichols.

La sexualidad en "The Bikeriders"

Nichols habla sobre la sexualidad en la película y explica que no se trataba de "glorificar" la vida de los motociclistas, sino de mostrar la realidad de sus elecciones. "La primera hora es romántica, pero en la segunda mitad, la música se vuelve más lenta, el narrador se aleja y se comienzan a

ver las consecuencias de las elecciones de estas personas de manera más seria", dice Nichols.

La elección de una narradora femenina

Una de las decisiones más interesantes de Nichols fue elegir a una mujer como narradora en una película que se centra en una pandilla de motociclistas. "Kathy es la voz más interesante en el libro. Es autocrítica, introspectiva, a veces irritante, pero también hilarante y sincera. Además, es una outsider porque es una mujer en una situación hiper-masculina", dice Nichols.

El proceso de casting

Nichols habla sobre el proceso de casting y cómo eligió a Jodie Comer para el papel de Kathy. "Jodie es una actriz increíble y se enfrentó a Tom Hardy en una escena electrizante", dice Nichols.

La relación entre los personajes

Nichols también habla sobre la relación entre los personajes y explica que el personaje de Tom Hardy, Johnny, no quiere tener relaciones sexuales con Benny, sino que quiere "ser" él. "Hay algo ahí, pero no es sobre homosexualidad abierta. Es más sutil que eso", dice Nichols.
