When you use PokerStars software their security team is able to detect what other running processes are in use on your computer. Therefore, if you think you are just going to download some bot (yes, people are pathetic enough to sell these on the internet) and use it on PokerStars, you will be caught, 100%.

In 2024, Apple announced that as of September, it would only allow gambling apps native to iOS to be hosted in its App Store. This change was due to the fact that many gambling apps were 'container' apps, as they essentially repackaged their websites into apps, which was easier for developers to maintain.
