El Patron Slot Review

Fire up the El Patron slot machine and trigger machine gun symbols during an exciting free spins round. This bandit-themed game also comes with bonus reels filled with wilds and 'Action Symbols'. These can drop multiplier wilds, respins, and expanding wild symbols to the game. Take a gamble option for even bigger wins.

Meet

the Boss

Roughly translated as 'The Boss, the El Patron online slot stars bandits behind bars, whiskey bottles, knuckledusters, handguns, and fat cigars across a 5x5 grid. Shotguns, AK-47s and other deadly weapons litter the landscape around the reels of this desktop and mobile compatible casino game from Stakelogic.

Keep a close eye on

the rows above and below the main game. You'll get some great extras from the bandits when these come to life.

Bet on the Baddies

There's a bet range of 0.25 to 125.00 plus

a couple of side bet options. These include a Super Stake that doubles the bet, but also boosts the odds that you trigger a free games feature, and a Buy feature that guarantees the free games in the next spin.

Match symbols across any of the 25 paylines

to win these line bet multipliers –

X500 X2000

Unlike the highly unstable characters, it's a medium volatility game. It comes with average returns of 95.86% and you can play the El Patron slot online, along with many of the best live dealer casino games at the top Stakelogic sites featured here.

A Gamble option doubles or quadruples any win if guess the color of suit of a playing card.

Get Ready for the Action Symbols

Those extra rows add new layers of excitement to the El Patron slot machine gameplay. The top row holds Action Symbols, and wilds feature on the lower one. If they align above and below a reel, they trigger expanding wilds, respins with dropping wilds, or wild multipliers of up to 5x.

Any

three scatter symbols lead to 12 free spins of the reels. During these, Machine Gun Action Symbols appear, and you get from one to five sticky wilds, expanding wilds, or multiplier wild symbols.

More Gangster Games

Head behind bars for the action-packed San

Quentin xWays online slot by Nolimit City. You'll find splitting wilds, free games with multipliers of up to 512x, and more. The Gangster Gamblers slot machine from Booming Games has a Yakuza-theme and plenty of blood-spattered gameplay.

Grab the Loot

Guns and

gangsters can help you to pilfer some profits from casinos as you play the El Patron online slot. The Action Symbols feature is an ingenious idea, although expanding wilds, multipliers, and respins don't always ensure a win.
