More than 80% of all bets in bookmakers are made by players in real time. The company N1 Bet could not ignore this fact, and created the most modern platform for betting in live. You will find profitable coefficients, advanced functionality and a huge selection of events of various levels. So what are you waiting for? Start betting in real time right now!

Place bets in the game

A live bet involves making a bet during the event. This style of play has many advantages:

You can follow the progress of matches

and receive more incoming information for placing bets;

High dynamic coefficients,

which allows you to make profitable sports bets with greater frequency;

Quick

calculation of the bet. N1 bet pays the winnings to customers immediately after the outcome;

The ability to use various quick tactics like scalping, hedging.

You can make

your real-time bets in N1 bet even more effective. Use our advanced tools: setting up coupon acceptance when odds change, one-click betting, match centers with up-to-date information. And also add markets to favorites.

Types of bets in LIVE

In LIVE mode, you

can make the same types of bets as before the match:

Single bet when one option is selected;

Combo bet when at least two options are selected and the outcome coefficients are multiplied;

Permutations – at least three outcomes, which are distributed among several combo bets.

You can bet in real time on almost any popular sport in N1 bet: football, basketball, hockey, tennis, esports, MMA, volleyball and more. We have also prepared dynamic markets in the action line of matches. You can bet on the next point scored in tennis, volleyball, handball, and you can bet on the next event in the next few minutes in football.

Sports betting and esports LIVE

You will be able to bet on

sports and esports in a convenient format in N1 bet. The site has added an announcement of upcoming events, convenient sorting functions, search, and the «Favorites» function.

Every day the bookmaker offers at least 500 live events of various levels.

The best odds are waiting for you in real time. The profit margin in comparison with the pre-match is practically not growing. And N1 Bet also has a stable platform. And nothing will stop you from making your planned bet online. The operator has developed a convenient mobile version in which it is possible to place bets from gadgets in a comfortable mode.

The best odds for sports events at N1 Bet

The main trump card of N1

bet is favorable coefficients. And this is the main component of a potentially profitable game in a bookmaker.

N1 bet offers to make bets in real time on sports with

the same profit margin level as in the pre-match. The operator uses the latest software and trained analysts, which guarantees prompt updating of quotations. You will almost never find blocked for no reason markets with us.

Place bets in the game on football,

basketball and other sports right now. We guarantee favorable odds, prompt settlement of bets and stable operation of the platform. And to make your online bets even more profitable, we recommend using N1 bet bonuses. All new players can count on a profitable welcome promotion.
