roleta americana, o valor máximo que pode ser ganho é 35:1, significando que

If you are a German speaker and you are looking for high quality European Roulette action then you have come to the right place. Live Deutsches Roulette is a classic game of European Roulette, but the croupier runs the game in German. You will find all of the features you need, such as a Racetrack betting area, and will find yourself immersed in the action thanks to the multiple camera angles and the high definition video streams. While enjoying the game, you can chat to the croupier and your fellow players in German.

Game Flow

Live Deutsches Roulette follows the standard European Roulette rules. The game features the spinning wheel that has been divided into 37 numbered segments, and you need to bet on which segment the ball will come to rest on.

There are two betting areas, a standard one and a Racetrack, as well as various shortcuts to place different kinds of bets. You need to place your chips on the relevant segments during the betting time and then the croupier will release the ball into the wheel. Once the ball has stopped, winning bets are paid out and you can place your chips for the next round.

Bets Explained

There are a huge number of different bets in Roulette. The game has been designed to allow for great flexibility when betting. The numbers do not run sequentially around the wheel and they have been coloured red and black, other than zero, which is green. Furthermore, the betting areas have a very specific layout. Thanks to this, in addition to individual numbers you can also bet on groups of numbers. The group may be numbers that share a characteristic, such as all the red or odd numbers, or it may be a group as formed by the layout of the betting areas.

Roulette bets are divided into inside and outside bets. The inside bets are:

Straight – A bet on an individual number

Street – A bet on a row of three numbers on the betting area

Split – A bet on two adjacent numbers

Corner – A bet on four numbers that form a square on the betting area

Line – A bet on two streets covering six numbers

Trio – A bet on three numbers including 0

The outside bets are:

Column Bet – A bet on a column of 12 numbers on the betting area

Dozen Bet – A bet on a set of 12 numbers, 1 – 12, 13 – 24 or 25 – 36.

Red/Black – A bet on all the red or all the black numbers

Even/Odd – A bet on all the even or all the odd numbers

Low/High Bet: A bet on whether the ball will land on a low or high number (1 – 18 or 19 – 36).

There is a Racetrack betting area that is used to place specific betting patterns:

Voisins du Zero: A bet on the numbers next to 0 on the wheel, it includes all of the numbers between 22 and 25.

Tier: A bet on the area of the wheel opposite to 0, this bet covers roughly a third of the wheel, the numbers between 33 and 27.

Orphelins: A bet on the numbers 17, 34, 6, 1, 20, 14, 31 and 9.

Zero: A bet on seven numbers surrounding zero on the wheel

You can also place neighbour bets, a bet on a number and its neighbours on the wheel. You can set the amount of neighbouring numbers to be between 0 and 9.

Special Features

Live Deutsches Roulette offers many special features to enhance your experience. If you have favourite bets that you often use then you can save them and place them with one click rather than having to reposition chips all the time. Those interested in statistics can view the results of the last 50 to 500 rounds together with hot and cold areas of the wheel. If you want to just sit back and watch then you can use the auto play function to set a bet for up to 100 rounds. Finally, you have the choice of three different views, 3D, which will give you the impression of sitting at the table, Classic, which shows you the stream, the chat, the betting areas, and the statistics simultaneously, and Immersive, which features multiple camera angles that the game cycles through to show you the relevant action.

Payouts

Live Deutsches Roulette offers the standard Roulette payouts. Straight Up bets pay 35:1, Split bets pay 17:1, Street bets pay 11:1, Corner bets pay 8:1, Line bets pay 5:1, Column and Dozen bets pay 2:1, and Red/Black, Even/Odd, and 1-18/19-36 pay 1:1.

Como presidente, los intentos generalizados de Donald Trump de anular las regulaciones ambientales federales a gran escala se vieron obstaculizados con frecuencia - por los tribunales, por una falta de experiencia, incluso por la resistencia interna de los empleados gubernamentales. Pero si vuelve a ganar la Casa Blanca en noviembre, a Trump le resultaría mucho más fácil

desmantelar las reglas ambientales y climáticas, ayudado por jueces más simpatizantes y aliados conservadores que ya están trazando formas de doblegar las agencias federales a la voluntad del presidente.

"Va a ser más fácil", dijo Myron Ebell, quien dirigió la transición en la Agencia de Protección Ambiental después de que Trump ganara en 2024. "Van a tener mejores personas, personas más comprometidas, personas más experimentadas. Podrán moverse más rápido y con más éxito, en mi opinión".

En la campaña, Trump ha prometido derogar las regulaciones federales diseñadas para reducir la contaminación de gases de efecto invernadero que está calentando rápidamente el planeta. Muchos de sus aliados quieren ir más lejos. Están elaborando planes para recortar presupuestos, despedir a funcionarios de carrera, incrustar leales en oficinas clave y reducir los poderes del gobierno para abordar el cambio climático, regular las industrias y restringir los productos químicos peligrosos.
