All you

need to do is sign up with us 3 at Grosvenor Casinos and you can enjoy the best roulette games you'll find online.

How to Play Online Roulette

The popularity of 3 roulette, both

in-casino and online, is partly to do with how simple it is to learn how to play. For 3 first time players, the rules are fairly simple: pick a number or colour, place your bet, and spin the roulette 3 wheel. After the wheel has been spun and comes to a stop, winnings will be paid based on which pocket 3 the ball lands in.

Now, let's dive a bit

deeper. In roulette, players can make both "inside" and "outside" bets. For 3 example, when you place a bet on a single number it's considered an inside bet. Outside bets are based on 3 a broader category of numbers, including column bets, dozen bets, the colour of the number (red/black), and whether the number 3 will be high/low or odd/even.

When

the number ranges from 1 to 10 and 19 to 28, the odd numbers are 3 red, and even numbers are black. In ranges from 11 to 18 and 29 to 36, odd numbers are black, 3 even numbers are red. The 0 pocket in the wheel is always green.

Just before the ball slows to drop

into 3 one of the pockets on the roulette wheel, the dealer will call to indicate that no more bets are possible. 3 In online roulette, a message will be shown on the screen. This signifies that all betting on the table must 3 stop. Once the ball drops, the winning number, colour and odd/even is declared. In a casino, a "dolly" is placed 3 in the betting area – also known as the "layout" – on top of the winning number.

Payouts will

be made 3 to all the winning players. It's strictly prohibited to touch the chips on the roulette table from the moment "no 3 more bets" has been called until the final payout has been made. In the online version of the game, this 3 process happens almost instantly, and betting can begin again.

Over time, you'll see that outside bets present

better odds of winning 3 but typically yield a lower payout. Inside bets have a much lower chance of winning, but the payout is greater 3 if you do.

Think you know enough to

play online roulette now? Simply sign up with us to start playing right 3 away. If you need a little more info before you play, continue reading.

Types of Roulette

Bets

Roulette in essence is a 3 simple game. You place your bet on the roulette table, the croupier spins the roulette wheel, and you see if 3 your bet has come in. If it has, you win.

But it isn't always that simple. The type of bet you 3 make impacts your chances of winning and how much you win if you do. You can make the following different 3 roulette bets.

Inside Roulette Bets

These kinds of bets are where you bet on the inside of the roulette table. They offer 3 a higher payout with a lower chance of winning.

Inside bets include:

Single Number Bets - Also known as Straight-up or 3 Classic Bets.

Players can wager on any individual number.

Split Bets - Made on any two numbers that are adjacent to 3 the table.

Street Bets – Made on any row of three numbers on the table.

Corner Bets – Also known as Square 3 Bets. This bet is made on a square of four numbers on the roulette table.

Six Line Bets – This bet 3 is made across two lines of three numbers each, for a six-number total.

Outside Roulette Bets

With an outside bet,

you place 3 your chips outside the area where the numbers are on the table. Outside bets are easier to win, but payout 3 less. If you're a beginner, it's a good idea to start with an outside bet with online roulette. Outside bets 3 include:

Dozen Bets – These bets

cover one of three groups of 12 numbers.

Odd and Even Bets – These bets cover 3 all odd

numbers or even numbers. If any number of your chosen type wins, this bet will payout.

Red and Black 3 Bets – These bets cover all numbers that have pockets of the same colour on the roulette wheel. If any 3 number of that colour lands, this bet will payout.

1-18 and 19-36 – These two bets cover all numbers in their 3 respective ranges.

If any number in that set range lands, the bet will payout.

These bets will vary

between European and 3 American roulette rules, as both games offer some unique betting options.

Roulette Call Bets

Called bets in roulette are a little more 3 complicated, and involve betting on a section of the wheel. They include:

Voisins du Zero (Neighbours of

Zero): A bet on 3 the numbers around zero, between and including black 22 and red 25 with the green 0 roughly in the middle.

Jeu 3 Zero (Zero): A bet that covers the numbers in between and including black 15 and red 12.

Le Tiers du Cylindre 3 (Third of the Wheel):

This bet covers one third of the wheel exactly and runs from black 33 to red 3 27.

Orphelins (Orphans): This bet covers the eight numbers that aren't included in either a Neighbours of Zero or Third of 3 the Wheel bet.

Finale (Final Bets): Straight

bets on numbers that end with a specific digit. For example, 1, 11, 21, 3 31.

Online

Roulette Game Payouts

Knowing how roulette pays out is important if you want to make

the most of your bets. 3 Payouts in roulette are calculated based on odds. These calculations will differ between European and American roulette games. The examples

3 below apply to European rules:

0 = 35 to 1

Straight Up = 35 to 1

Split = 17 to 1

Street

= 11 3 to 1

Corner = 8 to 1

Top Line = 8 to 1

Six Line = 5 to 1

1st Column = 2 to 3 1

2nd

Column = 2 to 1

3rd Column = 2 to 1

Dozens = 2 to 1

Odd = 1 to 1

Even = 3 1 to 1

Red = 1

to 1

Black = 1 to 1

1-18 = 1 to 1

19-36 = 1 to 1

Register to 3 Play Roulette Online

Casinos member and visit your local Grosvenor Casino. Once you're a member, you can take 3 advantage of a variety of perks and useful options to make your gameplay more entertaining and comfortable!

Online Roulette FAQs

What is 3 the Best Online Roulette Strategy?

Sometimes betting on roulette isn't just as simple as a pick between red or black or 3 odd or even. There are a number of roulette strategies that can help your betting. Top ones include:

The Martingale System: 3 With this system you increase your

bets each time you lose, so when you eventually win you get your money 3 back. The easiest way to implement the system is to bet on even-money outside bets, such as red or black, 3 odd or even, 1-18 or 19-36. The system is logical and easy to implement, but you're effectively betting big to 3 win small as you're concentrating on bets with the smallest pay outs.

D'Alembert System: With this system, you increase your bet 3 by one

unit if you lose and decrease it by one unit if you win. If you lose your first 3 £1 bet, you would then increase it to £2, then £3 if you lose again and so on. Say you 3 finally win on your £4 bet, you would then decrease your next bet by one unit down to £3.

The

Fibonacci 3 System: This involves betting in line with the numbers in a specific sequence. The next bet involves adding the last 3 two bets together to get the amount of your stake. The sequence looks like this: 1– 1 – 2 – 3 3 – 5 – 8 – 13 – 21 – 34 – 55 – 89 – 144 – 233 – 3 377 – 610 – 987.

When you first start out playing roulette, you might be tempted to get into betting strategies 3 and systems. We recommend first getting to grips with your chosen game and understanding the ins and outs of roulette 3 before over-complicating things with betting strategies. You can learn more about how to play roulette with our helpful guide.

What is 3 the Difference Between Live Roulette and Online Roulette?

Online roulette games involve an RNG (Random Number Generator) that determines the outcome 3 of every spin. It is completely random and can't be predicted. When you play online roulette, the roulette wheel, table 3 and dealer will all be created in the game and will be replicated to mimic what you see in the 3 casino, but it isn't a real casino. You can play a wide range of online roulette games at Grosvenor Casinos 3 – all you need to do is sign up and create an account with us.

Live Roulette Games on the

other 3 hand are streamed live to your phone, tablet or desktop. They are streamed from real casinos and studios, and involve 3 real dealers and roulette wheels. It brings you a more realistic feeling and immersive gameplay compared to the classic online 3 roulette games. At Grosvenor Casinos, you can even play Live Roulette streamed from some of our casinos, including Victoria Casino 3 in London.

What is the Safest Bet in Roulette?

Outside bets are often the safest bets to make in roulette as they 3 cover a significant amount of the possible outcomes. For example, if you bet on red, you're covering half of the 3 numbers the ball could land on. With outside bets, however, your chances of winning are higher but your payout will 3 be less. A bet on red will pay out 1:1.
