O objetivo da roleta do cofre de ouro é:para prever o número em roulettist que a bola vai pousar, colocando uma ou mais apostas que cobrem esse particular; ou númeroCada rodada revelará entre cinco e vinte barras de ouro, cada uma atuando como um 50x. multiplicador.

Uma aposta de Golden Ball Mystery ganha, se a bola de roleta cair em roulettist um dos seis números de Roleta aleatoriamente selecionados representados pelas letras G, O, L, D, E e E E N. Para fazer uma aposta, selecione o chip de apostas desejado e pressione dentro do local de aposta indicado com a BET AQUI. Sinal.

Roulette Bets

Much of the interest in Roulette derives from the the number of different bets that can be made and their associated odds. The basic bets are the same for all forms of modern Roulette. Below are a list of all the available bets categorised by the bet's associated odds (both the English and French terms are listed):

Red / Rouge: a red number

Black / Noir: a black number

Even / Pair: an even number

Odd / Impair: an odd number

Low bet / Manque: numbers 1 - 18 (Manque is French for "failed" and is used because the ball has failed to pass 18)

High bet / Passe: numbers 19 - 36 (Passe is so named because it has "passed" the centrepoin)

First dozen / Premiere douzaine: numbers 1 - 12 (On the French-style mat, the square marked 12P)

Middle dozen / Moyenne douzaine: numbers 13 - 24 (On the French-style mat, the square marked 12M)

Last dozen / Dernier douzaine: numbers 25 - 36 (On the French-style mat, the square marked 12D)

Column bet / Colonne: a column of 12 numbers (The special square at the end of one of the three columns of twelve numbers)

5 to 1 - Line bet / Sixain: 6 numbers (Place the stake on the intersection of the edge of two rows of three numbers to bet on those 2 rows)

8 to 1 - Corner bet / Carre: 4 numbers (Place the stake at the intersection of a square of four numbers)

11 to 1 - Street bet / Carre simple or Transversale: a row of 3 numbers (Half way over the line forming the end of the row of three numbers to be bet upon)

17 to 1: Split bet / En Chaval: a pair of numbers (Place the stake across the line dividing the two numbers to be bet upon)

35 to 1: Straight up / En plein: a single

number (Place the stake in the box showing the number concerned. It is allowable to bet on zero)

The bets on six numbers or less are termed "Inside bets". The bets on 12 numbers or more are called "Outside bets".

European Roulette Rules

Assuming that the

possible bets are all understood, Roulette is essentially a trivially simple game to play. For each turn, once all bets have been placed using coloured chips to distinguish each player, the croupier halts betting, spins the wheel, and rolls the ball in the opposite direction. When the ball comes to a halt in one of the slots, the croupier announces the result, collects all losing bets and pays out the winner's profits. There are additional optional rules that some casinos and houses play. Both the La Partage and the En Prison roulette rules effectively halve the casino edge on even-money bets. If playing at home, decide at the start which, if any of the following rules you would like to play.

'En Prison' Rule

This is a roulette rule that can be applied to even-money bets only. When a zero turns up, the player has two options:

Reclaim half

the bet and lose the other half.

Leave the bet (en prison = in prison) for the next

spin of the roulette wheel for an all or nothing gamble. If the subsequent spin is again zero, or does not match the imprisoned bet, then the whole bet is lost.

Otherwise, if the subsequent spin's outcome matches the bet, the player's money is returned.

'La Partage' Rule

The la partage roulette rule is similar to the en prison

rule, only in this case the player has no option when a zero turns up and simply loses half the bet.

Maximum and Minimum stakes

Casinos will normally post a maximum and a

minimum stake for a roulette table and this is sometimes done for recreational play,

too. Typically, for each spin of the wheel, if a player the total amount of a player's

inside bets must exceed the minimum stake. The listed maximum stake usually shows only

the maximum allowed for a single number "straight up" bet. The maximum stakes for other

types of bet increases proportionately e.g. The maximum bet allowed for a pair of

numbers is double the maximum straight-up bet, the maximum allowed for a corner bet is

4 times the straight up maximum and so on. So that really the limitation is on the

amount that the casino can lose!

North American Roulette Rules

In North America and the

Caribbean, roulette wheels have a double zero, and all bets (except a direct bet on the selected zero) are lost when either zero turns up. The result is significantly poorer

odds for the punter and an increase in the Casino's cut. This is probably why in this

region, Roulette is less popular than it is in other parts of the world. The rules are

the same as for European Roulette above except that the double zero works in the same

way as a single zero result. Some American casinos do allow an additional bet called a

"basket bet" which is staked by placing chips in the same way as for a line bet on the outside of the the dividing line between the zero row and the row featuring 1, 2 and 3. This bet normally pays out 6 to 1 which gives it odds worse than any other roulette bet.

The old original Roulette Game

In the original French roulette, the numbers 1 - 36, had the zero and the "double zero". The zero was coloured red and also counted as "Pair" and "Manque"; the double zero was black and also counted as "Impair" and "Passe". If the ball fell into one of the two zero divisions, all lost stakes are taken by the bank but if the bet was matched by virtue of being Pair, Impair, Rouge, Noir, Passe or Manque, instead of being won, the stake was imprisoned until the next spin of the wheel. On that subsequent turn, the stake was either lost or if the ball matched the bet again, the stake was merely returned to the gambler without any profit.

E

Trinta anos depois de terem viajado juntos como jovens roulettist toda a América, cimentando uma amizade ao longo da vida Manic Street Preachers e Suede's UK co-headline tour começa num ambiente mais refinado: um pavilhão branco nas bordas do belo mercado cidade Llangollen.

The Blackwood-nascido e criado Manics pode manchete hoje à noite roulettist casa grama (as bandas estão girando o faturamento nesta turnê), mas Brett Anderson salta para os palcos às 19h25, no entanto um gladiador tiggerish determinou que Suede conquistar a multidão. Eles fazem isso de forma ousada começar com uma faixa pouco conhecida do álbum 2024 sombriamente energético Turn Off Your Brain and Yell>

Desde a roulettist reunião de 2010 – estimulada por um show Teenage Cancer Trust após o declínio da virada do século -, as músicas feitas pela Suede têm se tornado urgentes e suas performances ao vivo. Esta noite uma nova música Antidepressivos coloca fogo sob os beligerantes pós-punk of Siouxsie and the Banshee (Staympie & The Bainshees). Há ternura premente na interpretação acústica roulettist Me'Lead 'Onse Life Is Golden(A vida É Dourada) Treino completo... Suede no Pavilhão Llangollen.

{img}: Grant Melton/Cuffe & Taylor

"Eles são tão lindos rapazes", diz Anderson sobre a próxima banda, no meio do seu set de humor seco roulettist pleno fluxo. "Nós não temos muitos amigos nesta indústria – somos bastardo que é miserável - para podermos contar com os Dedos da mão quem eles sejam ea maioria deles estão na Manic Street Preachers." Os maníaco-sociais retribuem roulettist bondade abrindo o conjunto destes Com Motorcycle Emptiness (que Andersson chamou seus favoritos sentido).

Se o conjunto de Suede é um treino manicômico, cardio completo roulettist 1995, os Manics' são uma queima lenta mais suave. A voz do Bradfield ainda está impressionantemente ousada e flutuando doce vezes nas notas altas (Ele lembra-se primeiro estar aqui no Llangollen eusteddfof com seu coro escolar: "E nós deveríamos ter vencido.") Suas linhas da guitarra - como aquelas tocadas anteriormente por Richard Oakes – Snarl single).

O artista galês a âncora junta-se à banda roulettist voz fabulosa (e terno lantejoulas magenta) para rampas através de 1992 Little Baby Nothing e 2007 Your Love Alone Is Not Enough, ajudando na propulsão desses hits do passado até o presente. Mesmo que as músicas antigas "deixam sombras longas", como Bradfield canta no Walk Me to the Bridge [Caminha comigo pela ponte] das bandas 17 canções parecem rápidas... mais brilhantes!
