You will find this article helpful if you are intimidated by the terminology and mechanics of sports betting. Once you learn the basics, sports betting is quite simple and easy to understand. Hopefully, you'll find the information in this article helpful in your career as a football gambler. Selection

Simply put, the selection refers to your choice of games. For instance, you can select win or draw. If Liverpool were to play Chelsea for example, then the three most basic predictions are Chelsea to win, Liverpool to win, and a draw. If you don't want to select any option from this game, you can select two teams from another different league entirely, perhaps even another sport. Essentially, your selection is your prediction of the outcome of any sporting event.
