### Katie Boulter en la búsqueda de una carrera récord en el BR Open

En los últimos meses de un año destacado en el que ha establecido su posición como jugadora sembrada en los torneos de tenis más importantes del mundo, la pregunta que rodea a Katie Boulter es si está lista para armar una carrera profunda en un torneo de gran slam. Boulter ya ha ganado múltiples títulos de la WTA, ha derrotado a varios jugadores de élite y ha ganado el respeto de sus colegas, pero llegar a la segunda semana de un major aún le ha sido esquivo.

Después de algunas preocupaciones iniciales en su partido de primera ronda en el BR Open, Boulter mantuvo la compostura mientras sacudía su juego tímido y golpeaba la pelota con autoridad, remontando un set abajo para derrotar a la clasificada Aliaksandra Sasnovich 5-7, 6-2, 6-1.

#### La determinación de Boulter

"Creo que es importante que comience a hacer movimientos en torneos más grandes, porque si quiero pasar del No 30 al 20 [en el ranking], hay un salto enorme, y si quiero pasar del 20 al 10, hay un salto masivo", dijo Boulter.

"Entonces, para mí, se trata de ver dónde puedo comenzar a ganar un poco más, como puntos más grandes. Y obviamente tendré que jugar mejor, pero siento que tengo el juego para hacerlo. Lo he mostrado en el pasado, solo se trata de ponerlo en estas semanas y priorizarlo un poco más, que es algo que simplemente no he hecho antes".

<b>Ronda</b>	<b>Oponente</b>	<b>Resultado</b>
--------------	-----------------	------------------

Primera ronda	Aliaksandra Sasnovich	5-7, 6-2, 6-1

A pesar de lo positivo que han sido las cosas en general, los últimos meses han sido una bolsa mixta en individuales. Esta victoria es su segundo triunfo en singles completado desde una derrota decepcionante ante Harriet Dart en la segunda ronda de Wimbledon.

Unas pocas semanas después de Wimbledon, Boulter cumplió un sueño de la infancia convirtiéndose en olímpica y no estuvo lejos de competir por una medalla junto a Heather Watson cuando llegaron a los cuartos de final en el sorteo de dobles femeninos antes de perder ante las eventuales medallistas de oro, Jasmine Paolini y Sara Errani. Pero Boulter entendió que al optar por competir en arcilla en París, podría venir a un costo en su ritmo y forma durante la gira norteamericana de canchas duras subsiguiente, donde es capaz de rendir a un nivel mucho más alto.
