PokerStars is an online poker cardroom.[1] It is the largest real money online poker site in the world,[2][3] controlling over two-thirds of the total online poker market,[4] and can be accessed through downloadable poker clients for Windows, macOS, Android and iOS.

A PokerStars online satellite tournament produced the 2003 World Series of Poker (WSOP)[5] champion, Chris Moneymaker. As the first person to become a world champion by qualifying at an online poker site,[6] Moneymaker's 2003 win was an important factor in catalyzing the poker boom of the mid-2000s. The press has called this the "Moneymaker effect." [7]

PokerStars was part of The Stars Group until it was sold to Flutter Entertainment, owner of the Irish gambling company Paddy Power, on May 5, 2024.[8]

History [ edit ]

PokerStars launched its beta play-money-only site on September 11, 2001.[9] The company began offering real money wagering on December 12, 2001. PokerStars was originally a Costa Rican company, Rational Enterprises, part of Canadian company The Stars Group which was majority owned by the Canadian Scheinberg family.[10][11] The company was subsequently moved to Onchan, Isle of Man. The move was driven by the establishment of a 0% corporate tax rate and the removal of rules barring companies from accepting casino and poker bets from the United States.[10] PokerStars holds numerous licences in other jurisdictions (see Regulated Markets below). In February 2012, PokerStars acquired a European Union license granted by the Malta Lotteries and Gaming Commission.[12]

While privately owned, PokerStars had been the subject of financial media speculation regarding a possible initial public offering or merger with a publicly listed company. Analysts estimated its market value would have been approximately US\$2 billion in 2006, which would have made the company one of the world's largest privately held gambling companies.[11] PokerStars overtook PartyPoker

as the world's largest online poker room after the U.S. Congress passed the Unlawful Internet Gambling Enforcement Act of 2006. Many sites, including PartyPoker, immediately suspended business with U.S. gamblers, while others, including PokerStars, did not.[13]

In December 2009, PokerStars set the world record for the biggest online tournament. The tournament entry fee was R\$1, and the number of entrants reached 149,196.[14] They broke that record in December 2011, when 200,000 players played in a R\$1 buy-in tournament with a first prize of R\$50,000.[15] PokerStars was so busy during the early stages of the tournament, all tournaments had to be stopped for 20 minutes because the heavy traffic crashed their servers. This record had been broken again in June 2013, with 225,000 participants. The buy-in was R\$1 and went completely into the prize pool, with no rake.

In January 2012, PokerStars introduced a downloadable mobile client for iOS from iTunes. In February 2012, the company also introduced a client for Android.[16]

In July 2012, PokerStars bought its former competitor, Full Tilt Poker.[17] The R\$731 million deal settled a civil lawsuit with the Department of Justice while giving ownership of Full Tilt Poker's assets to PokerStars.[18]

In June 2014, The Stars Group, then known as Amaya Inc, agreed to buy PokerStars and its parent company for R\$4.9 billion in cash.[19][20] The deal was completed on August 1, 2014.[21] Later the deal led to a major insider trading investigation conducted by the Autorité des marchés financiers (AMF) over a four-year period concerning Amaya Inc.[22][23]

As of

April 2024, they have reached an agreement with Netent to add desktop and mobile gambling games to its poker lobby in New Jersey and other locations.[24]

In February

2024, Microgaming announced a partnership with PokerStars, owned by parent company for the integration of its Quickfire platform.[25]

In July 2024, PokerStars agreed to a deal with bankruptcy administrators to acquire some of rival PKR's assets without reviving the brand, while refunding the full account balances of the entire PKR player base.[26]

In December 2024, PokerStars unveiled a brand new player tournament called the PokerStars Players No Limit Hold'em Championship, which is to be held in January 2024. The tournament is expected to become one of the biggest events in the annual poker calendar with a twenty-five thousand dollar buy in and a R\$1 million bonus for the eventual winner.[27][28]

In March 2024, The Stars Group reached an agreement with gaming company Sugal & Damani to support the launch of its PokerStars brand in India.[29][30]

In September 2024, PokerStars launched PokerStars VR, a fully immersive virtual reality poker experience.[31][32] The platform was developed in collaboration with virtual reality software developer Lucky VR and was unveiled at EGX 2024.[33][34]

In October 2024, The Stars Group, owner of PokerStars, agreed to be acquired by Flutter Entertainment, in a R\$6 billion all-share merger.[35][36] On May 5, 2024, PokerStars became part of Flutter Entertainment.[37]

In 2024, Pokerstars entered

into a partnership with Red Bull Racing, sponsoring their Formula 1 team, with the brand to appear on Red Bull's new cars for the next few seasons, as well as on the suits of Max Verstappen and Sergio Pérez.[38]

In January 2024, PokerStars announced an

extended multi-year partnership deal with Red Bull racing. The deal included PokerStars' branding on the RB18 and race suits. The company stated they aim to provide fans "new and unique ways" to watch the sport in addition to technological advancements.[39]

In April 2024, PokerStars launched their peer-to-peer betting exchange which allowed customers to enter their own odds and bet against other customers.[40]

In December 2024, PokerStars announced that Michigan and New Jersey players would be unable to access their servers on December 12 and December 13 for a "major upgrade of the site". This upgrade is to allow Michigan and New Jersey poker players to play together, as both states are participants in the Multi-State Internet Gaming Agreement (MSIGA). PokerStars stated, "The upgrade is a necessary milestone to bring more games, bigger prize pools and guarantees in poker tournaments so New Jersey and Michigan poker players can compete against one another in the near future." [41]

Games [ edit ]

PokerStars offers multiple poker variations: Texas hold'em, Omaha, Omaha Hi/Lo (8 or Better), Courchevel, Stud, Stud Hi/Lo (8 or Better), Razz, Five-card draw, 2-7 Triple Draw & 2-7 Single Draw, Badugi, HORSE, HOSE, Mixed Hold'em, Mixed Omaha Hi/Lo, Triple Stud and 8-Game Mix. PokerStars also offers "Mixed Games," which rotate through several of these games.[42]

PokerStars averages over

15,000 players playing real money cash games daily.[43]

PokerStars launched Zoom Poker

in March 2012, with an official launch in May 2012. Zoom Poker is a fast fold ring game poker format where opponents change after every hand. The aim of Zoom poker is to offer players more hands of poker than in a regular ring game.[44] In January 2013 PokerStars rolled out Zoom Poker Tournaments due to popular demand for the fast fold variant [45]

Online tournaments [ edit ]

The site's weekly Sunday Million tournament has a guaranteed R\$1 million prize pool and a R\$215 buy-in. The Sunday Million is the biggest weekly online poker tournament. On March 7, 2011, The 5th Anniversary Sunday Million broke records, with 59,128 players creating a total prize pool of R\$11,825,600.[46]

World Championship of Online Poker (WCOOP) has been running since

2002 and is regarded [by whom?] as the online equivalent of the World Series of Poker.

The WCOOP tournament series is the largest online poker series and pays out the largest prizes in online poker. The WCOOP 2010 Main Event champion Tyson "POTTERPOKER" Marks won R\$2.2 Million, the largest online tournament prize in history.[47]

Spring

Championship of Online Poker (SCOOP) was established in 2009 and has since become the most popular online tournament series.[48] Unlike WCOOP, there are three different buy-in stakes in the SCOOP events: Low, Medium (10x Low stake) and High (100x Low stake).

Micro Millions was launched in March 2012 as a tournament series designed for recreational and micro-stakes players offering a low buy-in tournament schedule and large guaranteed cash prizes. PokerStars guaranteed R\$5 million in prize pools for the second installment of MicroMillions.[49]

In 2014, PokerStars was hosting 500,000 online tournaments each day.[50]
