Bruno

Fernandes insists Cristiano Ronaldo is continuing to adapt his game and hailed the striker's legacy in world football.

The two stars have been team-mates at international level for Portugal across several years and they played alongside each other at Manchester United for 15 months. Both players also starred for Sporting in their home nation.

Ronaldo became the highest-ever goalscorer in international football in 2024 while he has now scored a total of 125 goals for Portugal in 202 caps. He captained his nation in last year's World Cup finals in Qatar and wants to have at least one more major tournament, having won the European Championships in 2024.

The superstar had

previously indicated he wanted his career at the top level to last until at least 2024, which would include next summer's European Championship finals. However, fresh reports suggest he wants to remain playing until 2027. He will celebrate his 39 th birthday in February, while he will be aged 41 by the time of the next World Cup – in three years time.

Speaking after Friday's match against Slovakia, in which Ronaldo scored twice in a 3-2 win, Fernandes explained (via PortuGoal): "Do I have the notion that I'm playing alongside a history maker? No, I don't have a notion, I have the certainty! We're all aware of it.

"We all understand the force and the impact that Ronaldo has, the force and the impact that Ronaldo has had on the future of many of us Portuguese players, the opportunities that he's created for the future generations of players, the way others began to look at Portugal."

Fernandes continued: "They already had started looking at us with more respect, but everything that Ronaldo achieved abroad meant our name was more feared, and obviously we are grateful to have lived in this era, because it was a

privilege for us to watch Cristiano play and at the same time I had the chance to play alongside him, like all my other team-mates.

Have Your Say! Is Ronaldo the greatest goal scorer of all time? Tell us what you think here.

The United playmaker was doubtful that another player of Ronaldo's stature may never be produced by Portugal again: "Obviously these tributes are nice to see and it's right that they are done because he has made history, not only for Portugal but also in the world of football. He's done extraordinary things that will probably never be repeated – we hope they are for the good of football – but I think it's unlikely."

He added: "I hope another Portuguese Cristiano Ronaldo appears but I think it's unlikely and it's up to us, all the Portuguese, to enjoy him and enjoy what he can still give us, regardless of the fact they often say: 'ah, he's not what he used to be'. All players as the years go by have to adapt, have to be different, but Cristiano, although different and always adapting, continues to do that which he does best which is score goals."

Abby Lampe ganó la competencia anual de rodar queso en Inglaterra

Después de un año sabático, la estadounidense Abby Lampe resbaló 0 200 yardas a través del barro, la grama y el mar de extremidades cuesta abajo por una colina empinada para 0 reclamar la victoria en la competencia anual de rodar queso de un pueblo inglés, que atrae participantes de todo el 0 mundo.

Todos los años en el oeste de Inglaterra, un grupo de entusiastas persigue una rueda de queso

Double Gloucester cuesta 0 abajo por Cooper's Hill por la oportunidad de ser coronado campeón. Las reglas de la competencia son simples: se libera 0 el queso en la parte superior de la colina y una multitud de personas lo persigue, con el primero en 0 la parte inferior ganando la rueda como su premio.

Una colina muy empinada

"Es una colina muy empinada", dijo Lampe, la ganadora 0 de la primera carrera femenina de este año a Don Riddell de Sports, agregando que estima que es aproximadamente "45 0 grados".

"Cuando miras hacia abajo, puedes ver el fondo, pero definitivamente está bastante lejos. En la línea de salida, básicamente estás 0 agarrando la grama para que no te caigas", agregó Lampe.

Renovar la victoria

"Después de mi victoria hace dos años, no quería 0 simplemente aferrarme a esa victoria porque está envejeciendo, al igual que el queso. Pero quería renovar esa victoria y traer 0 el título de regreso a los EE. UU.", agregó Lampe, quien es de Carolina del Norte.

Riesgo y recompensa

Originalmente un evento 0 local, la competencia en Cooper's Hill, en Brockworth, Gloucestershire, atrae participantes y espectadores de todo el mundo. Pero si está 0 pensando en participar en la edición de 2025, tenga en cuenta que la competencia a menudo está plagada de lesiones.

"Hace 0 dos años, alguien se rompió una pierna, por lo que definitivamente no es para los de corazón débil. Las personas 0 se rompen los clavículas. Las personas se rompen los tobillos, los brazos: es definitivamente un emprendimiento arriesgado", reflexionó Lampe, quien 0 agregó que esta competencia tuvo un peligro adicional, debido al clima húmedo reciente del Reino Unido.

"Mi cara tomó muchos golpes 0 cuesta abajo: así que lo hizo mi cuerpo: pero es el costo que se necesita para ganar el queso rodante", 0 agregó.

El secreto del éxito

"Mi estrategia es básicamente correr desde la puerta y luego comenzar a rodar, y hace dos años 0 esa estrategia funcionó muy bien para mí: simplemente me deslizaba hasta el fondo. Este año, hice una estrategia similar", dijo 0 Lampe, explicando el secreto de su éxito.

Los competidores Tom Kopke de Alemania, Dylan Twist de Australia y el local Josh 0 Shepherd ganaron las primeras, segundas y terceras carreras masculinas, respectivamente.
