Description

Uno Online is an exciting puzzle card game. You have to match the cards having the same color or number to clear all cards in your hand and block your opponents.

Welcome to the world of Uno cards where you can relax and release stress with the familiar Uno game! The game's goal is to get clear of all of the cards you have in your hand. You can complete this mission by matching the cards with the same color or number of the card in front of you. If you don't have a playable card, you'll have to draw from the pile until you find one. Note that you have to press the "1" button when you only have one card remaining; else, you'll be penalized with two penalty cards!

Number cards

There are a total of 108 cards in this deck. Seventy percent of the deck is made up of number cards from 0 to 9, with four colors including blue, green, red, and yellow. Each color features 19 cards with one zero card and two of each other numbers in the deck. Action cards and wild cards make up the remaining 30% of the deck.

Action cards

Uno is made more strategic with the addition of action cards. In an Uno deck, there are three different sorts of action cards. Each color has two copies of each action card. These are the following:

Skip card - the next player in the sequence misses a turn.

Reverse - reverses the direction of play.

Draw two - the next player draws two cards and misses one turn.

Wild cards

There are two different sorts of wild cards, each containing four of them. They are as follows:
