What casino game has the best odds? Video poker can provide the best odds in a casino, depending on the version of the paytable. However, blackjack is generally regarded as having the best casino odds when using basic strategy. This can help lower the house edge to around 0.50%.

Top Gun Slots

Are you prepared for a slot to take your breath away?! Top Gun is launching onto a desktop near you and it offers all the gung-ho action that you'd expect given the online slot's theme. Even if you're not a fan of the film, this is a fast paced, 243 ways to win online gambling game with high quality graphics and great Bonus Features.

The free Top Gun video slot brings a fresh, modern look to a film which is 30 years old, whilst retaining all of the testosterone fuelled action that made the film so popular in the first place. Before you fly off, though, to the school of Top Gun, read our review for the inside track and how to maximise the game's features. Then you, too, can join the best of the best.

Feel the Need for Speed

The slick graphics and gameplay of this online slot are readily available for your desktop/ tablet/ smartphone through many online casinos. As there's no download needed you can hit mach 2 before you've made yourself a cuppa.

The Top Gun video slot's available to play for free or to play for real money and it offers a wide betting range for every pocket. Starting with the low limit 25 coins per bet and flying to the high roller 250 coins for a max bet, but, you'll need a solid bankroll to compete with the medium-high variance.

With reliable software by Playtech functionality is really strong in this online gambling game. It offers both an Autoplay function with a range of spin limits as well as Turbo Mode in case you really "feel the need, the need for speed".

Symbols are The Best of the Best

Against a pale blue sky with sunset infused clouds the royal blue matrix of the reels features sharp, glossy 3D graphics of the film's characters and some iconic imagery. Tom Cruise's Maverick is notably missing, most probably due to image copyright limitations, but, all our other

favourites are here.

High-paying symbols feature aviator glasses, bomber jacket, Jester, Stinger, Goose and Iceman. Charlie is the highest paying of these standard symbols rewarding 1000x your bet for 5OAK. J through A make up the low-paying symbols.

Wild Symbols are the Top Gun logo and offer a handsome 1500x your bet for 5OAK as well as substituting all except Scatter Symbols. Scatter Symbols are the fighter jet which land on reels one, three and five and, in our experience, proved pretty elusive.

Bonus Dogfights

Randomly at any point after a win you could trigger the Dogfight Wilds Bonus Feature where a huge fighter jet will come flying onto the screen with a pilot to co-pilot commentary.

It's an engaging bit of animation, but also serves as a great Bonus Feature when the jet fires randomly at reels and turns symbols into Wild Symbols. This jet can create up to fifteen extra Wild Symbols which are then held on the reels for your next spin.

Highway to the Danger Zone

Three or more fighter jet Scatter Symbols will trigger the Danger Zone Feature of 8 Free Spins. These can be retrIGGERED indefinitely with each additional three or more Scatters.

During Danger Zone Free Spins you can randomly trigger the Dogfight Wilds Feature, which is 'Enhanced' as it'll offer more Wild Symbols than during the base game.

Play for Free Now or Lose Me Forever

The free Top Gun video slot is a fantastic online slot for a wide range of punters. It's well designed with accessible functions and really pleasing aesthetics. It's fast paced and full of fun action and Bonus Features that complement the gameplay and the theme, as well as your pocket. It has the natural advantage of a well established soundtrack, which is used to great effect.

There's a huge nostalgia value attached for fans of the 1986 film, but, we also know that, with the 243 ways to win, good bonuses and classy design this is an online slot that will appeal to players who've never even come across the film (if they're out there). So, grab your aviators and your wingman and play for free now.
