Top Gun takes players on a journey into the classic

movie: the outstanding visuals help to recreate its atmosphere, and the soundtrack from the film is included too. This helps to add to the overall authenticity of the Top Gun slot, and the game itself is sure to impress players, whether you're a fan of the movie or not.

This slot has a standard base game with a wild symbol that can appear on any reel. What makes the base game stand out, though, is the impressive Dogfight feature.

This appears at random on the reels, so there's no way to know when it will be triggered. When it lands, one of your teammates will start shooting wild symbols onto the reels to help you create wins. It can shoot up to 15 wilds, which means that it could potentially award you the maximum payout.

Top Gun also includes a free spins

round. This is triggered whenever players land three of the Fighter Plane scatters on the reels, though this symbol appears on the first, third and fifth reels only. When this happens, players are awarded eight free spins. Players can activate the free spins again during this round, which will award an extra eight free spins. Another amazing

aspect is that the Dogfight feature can be triggered during the free spins round. This increases the opportunity for extra wins to be created, and can make the bonus more potentially lucrative.

Software and Mobile Experience

Top Gun looks fantastic on mobile

devices of all sizes, as it makes the transition from desktop displays to smaller screens brilliantly. Both the visuals and sound effects perform superbly, ensuring that the Top Gun experience is just as impressive on mobile as it is on desktop. Players who prefer to try games on their mobile devices will be sure to be impressed when playing Top Gun. The layout has also been optimized for smartphones and tablets sensibly, making the controls easy to use on any device. If you want to play Top Gun on mobile, we're committed to making MansionCasino a great place to get started.

Playing the adventure themed Gonzo's Quest slot is very simple. The game is an online video slot and is played over five reels with three rows and features 20 fixed paylines.

Prior to spinning, players need to select what Level they want to play at (1 to 5), plus the coin value. These two numbers will be multiplied together and then multiplied again by 20 (the number of fixed paylines) to produce your bet per spin. When you are happy with this amount, just press the big green spin icon found centrally at the bottom of the game screen.

The icons will then drop from your screen (rather than the classic "spin") and will show any winning lines. If you do have a winning line, these winning icons will then drop off the reels and allow other icons to fall in their place – which effectively acts as a free spin. What's more, for every consecutive winning payline you get, the game's famous Avalanche Multiplier comes into play. Once you've pressed spin, the first winning line is at the normal x1 multiplier level, but the first lot of replacement icons will have a x2 multiplier. If these are then replaced by more winners, this will increase to a x3 multiplier, while a x5 multiplier comes into effect if you again win.

Es vergonzoso tener que caminar y hablarme a mí misma durante un pleno 20 segundos cuando él está en el suelo atando sus cordones

Mi novio, Derren, no hace nudos dobles en sus cordones, y eso me molesta. Vamos a algún lugar, y a menudo vamos tarde (lo que generalmente será su culpa, también). Camino rápido o le cuento un cuento solo para darme cuenta de que Derren está muy atrás de mí en el suelo, atando sus cordones de nuevo - o simplemente fuera de mi vista. Es vergonzoso. Significa que acabo de hablarme a mí misma durante quién sabe cuánto tiempo. Lo reprendo cuando se pone al día conmigo, y digo: "¿Podrías simplemente dejarme saber dónde estás?" pero se ríe.

Creo que Derren tiene una aversión a hacer nudos dobles en sus cordones simplemente porque se los he pedido que lo haga. Siento que podría ser una solución muy sencilla. No soy una purista de los nudos dobles, pero tienes que entender cuándo una situación llama a un nudo determinado.

Yo hago nudos dobles en los cordones de mis botas, por ejemplo, porque los cordones necesitan la ayuda adicional, pero mis zapatos Converse funcionan bien con nudos sencillos. Derren, por otro lado, ajusta sus zapatos muy holgadamente - creo que tiene dedos débiles - así que realmente debería hacer un nudo doble cada vez. Se lo he dicho, pero dice que no le gusta desatarlo al final del día.

Hemos estado juntos cinco años, pero estuvimos a distancia durante los primeros cuatro de ellos, así que no me di cuenta de los cordones sueltos. Solo se hizo evidente cuando nos mudamos juntos hace un año. No tenemos un coche, así que caminamos o tomamos el autobús y el tren con frecuencia. Casi perdimos trenes debido a los cordones sueltos de Derren.

Tengo tiempo para la idea de tomar un momento para apreciar el mundo, pero su constante atado de cordones nos estresa

Sus cordones también están sucios porque siempre están desatados. Supongo que puede ser un poco descuidado. Pero el problema principal es la vergüenza de caminar a lo largo hablando conmigo durante un pleno 20 segundos cuando no está a la vista. He sugerido cambiar su estilo de zapato, pero los únicos que tiene son feos y también tienen muchos agujeros.

Derren ``bash le gusta la simplicidad de los nudos sencillos, y dice que volver a atar sus cordones ofrece momentos raros de pausa en su día. Aunque tengo tiempo para la idea de tomar un momento para apreciar el mundo, su constante atado de cordones no nos da descanso; nos estresa. Sería bueno si Derren pudiera hacerme saber cada vez que se detiene a ``
